ADJUSTMENTS OF THE RULES CONCERNING THE CARRYOVER FOR THE V75 JACKPOTS

Changed conditions as of Saturday, April 13th

From April 13th ATG will change the rules of the V75 jackpots and how the carryover will be distributed. Starting April 13th ATG will

- Fund 20% of every V75 jackpot from ordinary rounds (usually Saturdays)
- Fund 100% of every V75 jackpot from extra-rounds (usually non-Saturdays)

The funded carryover, parts or all of it, will then be transferred to a specific V75 that ATG determines. The remaining 80% of the carryover from an ordinary V75 will be carried over to the next round, normally the coming Saturday.

Why does ATG make this change?

To decrease randomness of carryovers and increase the chance of having bigger jackpots on specific rounds, especially MultiJackpot rounds where the funded carryover potentially can be distributed to.

V75 Jackpot Information

Basics: a V75 Jackpot occurs if the dividend is less than SEK 15:00 for the 5- and/or 6-correct pools or if nobody picks all seven (7) winners.
