2 Dream Sensation has been clearly on the way up and more successful lately. He kept up the pace well to second two starts back and comes from victory. Our pick. 9 Young Danne scored three good wins last year and will be interesting to see here in his comeback for a new trainer. 6 Eruption has had poor numbers lately but done well. Should not be discounted with the right trip. 7 Bird Lane has got a new driver. Tight starts and the form should be on the way up.

13 Sture is the most successful horse in this field with five wins. Has earlier won twice over this short distance. Nice task. Our pick. 5 Harvs Erik has put in two good effort over the short distance lately. He won despite a handicap two starts back and finished well to third in the last run. 3 Skuggfaksen scored a good victory in Bollnäs two starts back and has got the same number here in the circular start. Contender. 4 Kattelbo Kajsa has won twice in the lead and is possible again here in that position.

9 Rezorb Hangover likes the short distance and since she only meets mares and faces nice conditions money-wise she should have a good chance here. 5 Dazzling Diva has scored all six wins behind the gate and with Peter Eriksson as a driver. Should be considered directly after a break. 4 Idoanythingforlove has two runs under his belt after a layoff and was second in her debut over the short distance in the last run. 2 Sign Me Up Town has won over the short distance with Hanna Forsline and should not be discounted with this nice number.

3 Kullungen has scored five wins with Peter Eriksson and likes to run in the front. Good chance in that position. 7 Alsaker Juni looked nice in the last run and won easily at the end. She has good skills when she avoids a mistake. Early contender. 1 Åkmans Bella has been at least third in half of her starts. Nice number. In the mix. 8 Önnes Saga won six races in less than four months in the beginning of last season. Likes this time of the year.

9 Huddleston got a tough journey two starts back and gave up at the end. In the last run he was really good after a trip from behind. 10 Merritt has put in two good efforts over the short distance but has won over all distances. With the right trip from the back he will be in the mix here. 8 Xanthis Cocktail won the last time he avoided a mistake and with the right trip he should not be overlooked despite this number. 6 Mellby Don Juan has six runs under his belt after a long pause. Outsider here.

4 Andtheraceisover scored five wins last year and did it over all distances and with different journeys. If he avoids a mistake he is strong enough to win this. 2 Power Håleryd found the lead after half the race when he won on Bergsåker in September. If he reaches the front he could be dangerous. 13 The World is Mine faces nice conditions money-wise since he is still in this class after the last disqualification. Contender. 7 Mr Birkenstock comes from victory and is in good shape. Possible with the right journey.
