4 Cordially finished well to fifth in the last run. Faces better conditions now and should have a good chance to win. 1 Global Company competed in the same race as our pick in the last run and kept up the pace well from behind the leader. Nice number behind the gate and place chance now. 5 Sophia Frecel has competed a lot under the saddle this autumn. With the right defensive journey this time she has place chance here. 2 Mellby Howlit has been quite consistent without winning that often. Has place chance in this company.

2 Kos Røder deserves a victory. He got a tough journey from outside the leader in the last run and this number behind the gate is better. 4 Kjølstad Trollvilja avoided a mistake in the last run after three mistakes in a row. When she avoids a mistake she is quite good for this class. 9 Haugs Dronninga galloped two starts back still fighting for victory and is better than the latest results show. Should not be overlooked here. 5 Lykkje Prinsessa scored a good third spot on December 9 after a final lap from outside the leader. Should not be overlooked.

2 Åse Sannejentå finished well to second in the last run and she is well drawn over the right distance here. Our pick in this open race. 10 Børke Loke won four out of 16 starts last year. Got locked in with energy left in the last run and has to be considered early despite this back row draw. 4 Tusse Gutt wins often and has eight victories in 25 starts. Resumes from a spell but has to be considered early directly. 7 Glitrende Tider finished well to second on December 16. Should not be overlooked here with the right journey.
