1 Pennywise has won three out of five starts. Took over the lead after 500 meter in the last run and won easily at the end. 3 Haradi has four wins in ten attempts. Won despite a mistake in the last run and scored a strong second spot before that. Early contender. 8 Balzano da Quattro likes this distance since he is strong. Was not empty in the last V75-race on Axevalla. Contender here. 11 Max Orlando won easily in the lead over the long distance in Norway two starts back. Has good skills. Should not be overlooked.

8 Xanthis Fiction comes from victory (comfortably in the lead) and has got an interesting number here. Our pick. 3 Hera Hammering is quite gifted and won comfortably in the last run after a layoff. Contender. 4 M.T.Penelope has good speed and has earlier won together with Micael Lindblom. Should be followed here. 10 Miss Chevy Neo has good skills. Has not won for a while but comes from a good third spot after a layoff.

4 Cheval Mon Ami uses to meet tough opponents and competed in a V75-final on August 13. Resumes from a spell here. Contender. 1 Ariane Summit is good when she is at her best. Has got a nice number and finished alright to fourth in the last run. 5 Classic Pan won directly for the new trainer two starts back. Easy victory in the lead then. Was not as good in the same position in the last run though. 12 R.K. Queen is gifted and better than the latest results show. She can finish strongly and found a late opening in the last V75-race.

7 Body n Soul has scored two convincing wins under the saddle for the new trainer (outstanding on November 19). Is a good sulky horse too. Top chance. 11 Bandit Frontline is a tough opponent who won directly in the last comeback race. Should be even better now. 3 Campagne de Press is strong and finished well to third two starts back and was just closely defeated then. Good place chance. 8 Isabell Trot is up and down but really good every now and then. She faces quite nice conditions money-wise here.
