6 Kaviaren makes his comeback after a pause and for new trainer Håkan K Persson. Will be interesting to follow and is our pick. 5 Danilo S.H. scored the latest win five starts back which means that he needs new points today. Early contender. 10 Come on Lane has put in a couple of good efforts lately without winning. With the right trip he is possible here. 12 Flashmans Capsella faces tough conditions and needs lots of luck with the pace and the journey. Has good speed.

6 Cassiopea Font has shown very good speed. Can open fast and should have a good chance to find the lead. Our pick. 3 Maleiwa looked a bit stressed before the last run and galloped directly too. Got locked in and looked nice before that and has good skills. 2 Daenerys comes from many strong performances. Has three runs under his belt and is in good shape. Is ideally drawn here. 4 Marjan Black has scored two convincing wins lately. Has good skills and is an early choice again.

10 X.O.X.O has scored two straight wins in the lead and looked splendid. Has been a non-starter after that but normally she will finish to victory. Our winner. 1 Lucky Truc finished well after a trip from third on the inside in the last run. Nice number and main challenger. 9 Miriam Håleryd galloped in the lead with 700 meter to go in the last run. Different number this time but early contender. 2 Västerbo LookHigh has been matched against tough opponents and could be improved. Can open fast and is possible too behind the favorite.

5 Calling Out tried to find room from behind the leader in the last run but never got a chance and had energy left at the end. Our pick. 2 Charming Lane gave away the lead in the last run but got clearly defeated at the end. Is a quick starter and should be considered early regardless the journey. 1 Twenty Dollar is a quick starter and has got a perfect number here. In the lead or from behind, she is an early contender. 11 Ici Moi did alright from third on the outside in the last run. Tough conditions here and has not competed for a while either.
