Volt 2140

9 East Ward started a couple of times in April as a three-year-old and showed quite good speed. Resumes from a spell now and the Melko stable is in good shape. Our pick. 2 Jogga has done alright in the lead in both races so far. Should be on the way up. 10 Field of Dreams was third in the debut but has not been as good after that. Got a short break now. Has to be followed. 8 Jolanda Sisu was heavily backed in the last run. Was alright in the lead but did not impress. Will get a defensive journey with this number.

5 Bjorn is our winner here. He scored a good win in his debut and comes from a nice effort. Debut behind the gate now and the Eriksson stable is in good form. 12 Catharsis has been improved a lot in the last two starts. Finished well in the last run showing 13/800. 11 Xanthis Hilton finished well to second. Has been a non-starter after that and the form is a question mark. Outsider. 7 Maradona Boko finished to a close win after a wide final turn.

9 **What a Winner** looked on the way to victory in the V75 on New Year's Eve but got defeated at the end. Scored two convincing wins in a row before that and is our pick here. 6 **I Love You Sisu** is better than shown in the last starts. He should be considered quite early here. 7 **Ekas Zalming** galloped directly in the last V75-race. Scored a couple of good wins this autumn and is an early contender in this company. 11 **Olimp** got locked in with energy left on the inside in the last start. Could cause an upset here with the right journey.

7 **Laiza Westwood** had a nice season as a two-year-old and finished second in Silverstoet. Is probably the toughest horse here and our winner. 5 **He's From Heaven** scored two nice second spots in both starts as a two-year-old. Seems reliable and should handle this number five. 8 **Edwin I.T.** is an interesting Italian horse. Started early as a two-year-old and won two races already in August. Has to be followed here. 1 **Global Etalon** finished well in the last run and is now driven by Björn Goop. Nice number.

6 Certainly finished fast to second two starts back. Was heavily backed but made an early mistake in Sylvester race on New Year's Eve. Our pick here. 11 Velten Swarovski got defeated at the end in the last V75-final but scored a good second spot. Will defeat many opponents here. 7 Maverick Dream was too fiery in the lead in the last run. When everybody though he would give up he simply continued. Early contender again. 9 Dozen of Oysters is consistent and good. Could get a nice defensive journey with this number in the second line.

3 Wings Level was close to score the third win in a row in the last run. Easy win after an early lead in the race before and he stands this 2640 meter. 4 Global Above All ended last season with victory, the only one in 2022. Has shown good form lately and is possible here too. 6 The One won easily from behind the leader in the last run. Björn Goop now but debut over the long distance. 12 Livingstone is in great shape. Outsider but needs some racing luck with this tricky number.
