6 Daniel Frontline has been competing in the V75 lately. He finished strongly to a third spot on Romme on December 17. Faces quite easy opponents here. Our winner. 1 Magic Ken finished well to fifth in the last run a bit behind the winner. He has earlier put in a couple of nice efforts in Sweden. Has to be followed. 2 Frozen Heart comes from victory and that was the first win ever. Ran in the lead then and will certainly go for the front here too. 8 Kadett Brodde is better than he showed in the last run. Goop now and an outsider.

3 Buster Moon has not been successful lately but is our pick anyway. He has got poor numbers but is better drawn this time. Faces quite easy opponents too. 4 Helix Rick 1 Atletico Doc has two runs under his belt after a layoff. Was second in the last run and is on the way up. Early contender. 4 Helix Rick got a tough journey outside of the leader during the final lap in the last run and was brave. Ulf Ohlsson this time is an advantage. 7 Perfect Star is not reliable but could be an outsider if he trots well.

3 **Global Boost** has not started since September. Is good for this class and can open fast behind the gate. Our pick directly after a pause. 8 **Kosgi** has done well lately without winning. Found room late on the home stretch on the inside and was not empty at the end. Deserves a victory. 7 **Hamilton Atout** is better than the latest results show. Competed a lot under the saddle last season. Goop's pick out of three horses in this race. 4 **Generator** scored a strong second spot on October 18. The form is a question mark. Outsider.

5 **Beethoven** has galloped in both starts for the Goop stable. He is probably the best horse in this field. Good chance. 4 **Curie** has finished well to fourth lately. Is consistent and could cause an upset with the right journey. 9 **Bahama Passion** is a bit up and down but put in a good effort in the V75 between Christmas and New Year. Could get a nice defensive journey here. 12 **Global Tailwind** has started both under the saddle and in sulky races lately. Should not be overlooked in case of quick pace.
