Volt 2140

8 As Always Marke is both strong and fast. Was outstanding in the last run after a strong final lap. Will not be easy to beat here. Top chance. 3 Nolby Palema is quite promising. Has not won yet but been at least third in four out of five starts. Early contender. 1 Vikens Cashflow has been a bit up and down but scored a nice victory four starts back (won in the lead). 4 Mellby Jupiter has good skills. Finished well to third two starts back and comes from a comfortable victory.

6 Walking the Wire put in a couple of nice efforts last season. He comes from a good second spot in the V75 on Axevalla. 1 My Story is True has good strength. Won very easily from outside the leader in the last run. Early contender. 8 Flap Setting is an early choice too in this company. Has good skills and comes from two performances in the V75. Possible. 9 Nibali Vivantis faces nice conditions money-wise. Galloped directly in the last run and finished to a comfortable win before that.

6 X.Y.Diamant has won three out of six starts in Sweden. Was outstanding in the last run and could be a winner directly in this comeback. 5 Adthemission did alright in the last run. Had three second spots in a row before that and seems quite gifted. Finished well two starts back. 2 Cove Snapper galloped under attack in the final turn in the last run. Resumes from a spell now and could fight for victory directly. 4 Mr Birdman is still waiting for the first victory ever. Comes from a strong third spot and finished well to second before that.

12 Cassandra Ferm has got a tricky number but has good skills. Has seven wins in 19 attempts so far. Our pick in this quite open race. 1 Entrance has done well lately and deserves a victory. Can finish fast and comes from a good fifth spot despite a mistake. 7 La Coquette Zon scored a good third spot in the last run and won easily before that. Is gifted and should be considered early here. 2 D.Day Glide is good for this class but has not won for quite a long while. Should be followed this time.
