7 Mariah Web lived up to the expectations in her debut and won easily in the lead. She should be able to open fast with this number. Our pick. 9 Gloire d'Empire kept up the pace alright in the last run but got clearly defeated. Should be improved by that run and has to be considered. 2 Dreamtide has got a tricky number in the circular start in this debut. If she handles it she could be in the mix. 8 Global Embargo has galloped a lot so far. Outsider without a mistake.

2 Abbys Wise As did not find room until 100 meter to go in the last V75-race and finished well. Faces quite nice conditions here and is our pick. 10 Anchor Man was unlucky in a V75-final on December 26 and had some energy left. Is good enough to win this but needs some racing luck from behind. 4 Pleasure for Cash is trotting well now which is important for him. Belongs to a stable in good form. Has to be considered. 6 Marre's Dreamboy is better than the latest results show. He should not be overlooked.

6 Jaguar Journey convinced a lot when he won the debut in October. Was not at good in the second start and got a short break after that. Our pick. 12 Champagne Trot galloped from outside the lead with 650 meter to go in the last run. Looked quite strong then and will defeat many opponents here. 4 I've Got Pepper won the debut in the lead. Tricky number four now but early choice if he avoids a mistake. 5 Exactement won in the lead in the last run and had energy left. Is possible on Solvalla too but this number is tricky.

Good chance without a mistake. 15 Rio Luca has been consistent and good lately. Can do it tough and will defeat many opponents here. 10 Barabobbitt did not trot well in the last V75-race. 4 Leon Zon has put in several good efforts under the saddle lately and comes from a comfortable win. Tougher opponents now but good chance anyway. 3 Floydside Am won the last time he was ridden by Jonathan Carre. Did alright in the last run without impressing. Should be considered early. 8 The Primerose makes her debut under the saddle and the chances are not easy to predict. Did alright in the last V75-race and has to be followed. 12 Scotch Brodde finished strongly in the last run and deserves a victory.

7 Breeze did not win a race last season but she was matched against the best four-year-old fillies. Claes Sjöström has found a nice task for her in this seasonal debut. Our pick. 3 Great Shadow comes from Denmark. Is trained by Jeppe Juel but will be driven by Björn Goop. Finished alright in the last run. Early choice. 6 Al's Starlicious finished strongly two starts back third up. With the right journey she will defeat many opponents here. 1 Visual Alert will certainly get a nice journey with this number one. Outsider in that case.

5 Madame Norrgård won directly after a pause in the last run. She trotted very well too which not always has been the case. Our pick again. 2 Hillsborough Flame is a bit up and down. When she avoids a mistake she is fast enough to challenge for victory. 12 Roubine galloped as a favorite in the last run. Was improved before that and even if she does not win very often she has to be considered early. 13 Isabelle Sisu was not at her best in the last run. Normally she is an early choice here.

2 Feel the Benefit never got a chance in the last Sylvester race on Axevalla but looked nice a bit behind the winner. Nice task here and well drawn behind the gate. 9 Babsans Bankir comes from a V75-win. Prefers a defensive journey and is very speedy then. Early choice. 3 Fortnite never found room at the end in the same Axevalla race as our winner. Scored a good second spot on Jarlsberg before that. 7 Black and Quick showed good form when he came in fifth. Should not be overlooked here.
