9 Bajaro B.R. won in November driven by trainer Tinter herself. Got quite a tricky journey in the last race on Romme but finished alright. Good chance. 1 Veams Mynta found the lead and won with this number one on November 22. Was not empty at the end in the last run and showed that this long distance is no problem. 8 Grand Duke resumes from a spell. With the right journey he will defeat many opponents here. 4 Adventure Ahead has galloped three times in a row now. If he avoids a mistake he should not be overlooked here.

15 Järvsö Jop was a bit up and down during his three-year-old season. Galloped a lot but showed good speed too in between. Resumes from a longer spell. Our pick. 12 Borkvinn S.K. is in good shape and came back very well after an early mistake in the last run. Early contender without a mistake. 6 Juni Oscar developed well last autumn and scored the first victory in the last run. Faces tougher opponents now but has to be followed. 14 Läckra Lukas is a bit tricky but has good speed for this class. Outsider.

4 Romanze started for the first time in Sweden in the last run. Got a trip from far behind and put in a good final lap. Should be improved by that run. 3 Dance to Music is not bad. She looked very nice when she won on Romme on December 12. Early contender in this company. 1 Calltosayiloveyou did not start a lot last season. Galloped a lot of times but is good when avoiding a mistake. Outsider. 10 Preciousroadrunner won after a nice defensive journey two starts back. Faces quite easy opponents here and is possible with some racing luck.

10 Jack is Back got a tough journey outside of the leader in the last run. It was snowing a lot then and the track was tough. Was quite brave and before that he showed great December form. Our pick. 7 Le Crack Sox raced in the same run as our pick. Got a better journey on the inside then. Seems on the way up. 1 Iron Creek competed also in that Solvalla race. Can do better than he showed that time. Has got a nice number here. 2 Fire of Noa has been a non-starter after the last run. Got some energy left on December 18. Should not be overlooked.
