1 Sign Me Up Yankee resumed from one month's pause in the last run and won directly in the lead. Same number again and good chance again. 2 Northman Maxus scored a convincing victory from outside the leader on Eskilstuna. Good form and early contender here as well. 6 Gentleman Sisu got a tough journey in the last run but was very brave. He is good enough to fight for victory. 8 Peigan Goj has one run under his belt after a layoff. Outsider but needs some racing luck with this handicap.

5 Gourmet Brodde won the debut in the lead. Did alright in the last run too after an outside journey the last 1200-1300 meter. Good chance if he handles this number. 11 Thrive has galloped a lot lately. She won in the lead three starts back. Early choice without a mistake. 9 Grab the Moment has not started since March last year and this is the first race for the new trainer. Showed quite good speed last season and has to be followed. 6 Banker's Princess has been a non-starter after the last run. Outsider but needs lots of racing luck.

4 Sultan Sea is developing well and chases the third win in a row. Won with energy left in the last run and is well drawn behind the gate here. 7 Max Lane lost his form last summer. He has not raced since August and might need this one. Is good enough to be in the mix here. 3 Captain Kronos has started twice after a long break without convincing. Is good for this class. Possible behind the favorite. 2 Vichel J.C. finished fast to a second spot two starts back. Interesting outsider with the right journey.

1 Dira found an early lead despite a handicap two starts back and won comfortably. Debut behind the gate here and not sure how fast she can open. Our pick. **6 Polly Tooma** is consistent and good but has not won yet. Faces quite easy opponents here and she should be considered. **8 In Face Smart** is gifted when she avoids a mistake. Galloped twice in the last run. Will defeat many opponents without an error. **12 Reality Hill** starts for the second time for the new trainer. Started with two wins in a row last summer. Needs some racing luck with this number twelve over the short distance.

11 Jeppas Uppercut is strong and scored a good victory two starts back. With the right trip from the back he should have a good chance here. 3 Teus scored a good third spot in the V75 at the end of October. Has not convinced after that but is well drawn here. Early contender. 5 Oskar of Sand has eight wins in twelve starts. Resumes from a long spell but has to be considered early directly. 1 Tiger Journey has not competed for more than one year.
