1 Harald Derm comes from two easy wins in the lead. Could reach the front again here and will be hard to beat. 3 Flik Flak Gry got a tough journey in the last run. After a trip outside of the leader the horse took over the lead with 500 meter to go. Fought well but got defeated at the end. Good form. Contender. 2 Kensington has not lived up to his capacity lately but is better than the latest results show. Is driven by Steen Juul again. 8 Flying Dream has done alright without convincing. Tricky number and needs some racing luck.

3 Festival of Speed has been matched against tough opponents in Sweden lately. Is better than the latest results show and faces easier horses here. 5 Coventry Hall makes his debut for new trainer Flemming Jensen. Interesting but has not raced for a while and the form is a question mark. Challenger. 2 Thunder Peak won from second on the outside two starts back. Never got a real chance in the last run after an inside journey. 1 Cassiopeia was fifth in the last race in Norway with only six participants. Put in a good effort anyway and is possible here.

4 Jesse Schermer is another horse who makes his debut for new trainer Flemming Jensen. The chances are not easy to predict after a layoff. Has good skills though. 1 Diesel found an early lead in the last run and was outstanding. Will go for the lead here and is an early choice again. 2 Every Day has a good reputation and he has not finally started to live up to the expectations. Has good capacity for this class. 3 Bellissa Gry is fast with the right trip from the back. Possible but needs some racing luck.

8 Graud Larose scored a good win two starts back and came back well after a mistake in the last run. Is not reliable but has a good chance without a mistake. 2 Femme Fatale comes from a couple of strong efforts. Is ideally drawn behind the gate here. 10 Shadow Brodde is very up and down and the chances are not easy to predict. Has good speed for this company. 1 Gangster Simoni just kept up the pace as a favorite from second on the outside in the last run. Is a slow starter but possible anyway here.

Auto 2000

4 Cody S has shown that he can match Swedish opponents when he is at his best. Should have a good chance in this company. 2 Patch Wibb finished to an easy victory in the last run and showed great form. Rene Kjaer resumes from a spell after injury and they should be considered early. 3 Tour Eiffel is a quick starter and likes to run in the front. Will certainly get an offensive start here. 6 Staro McMillan has not been at his best lately and the chances are not easy to predict. Possible if improved.

### RACE 8, V65-6

Auto 2000

5 Egon T B has not raced for a while and might need this race to be at his best. Our winner anyway here. 6 Golden Money beat our pick the last time they met (November 13). Won closely but comfortably in the lead then. Has not convinced after that but is an early contender if improved. 9 Cash Heavy is fast with the right trip from the back. Early choice in case of quick pace. 3 First Money Day won comfortably from second on the outside in the last run. Looks a bit slow but has good speed.
