3 M.P.Atlas has become more reliable and shown great form this winter. Has scored a couple of convincing wins and is ideally drawn here. Good chance to lead this throughout. 4 Tåga Storm galloped under attack in the last run and gallops a lot. Without a mistake he is a challenger. 1 Risåberra has got a nice number and if he is as good as in the last run he will be in the mix here. Could get a perfect journey. 8 Lövabos Lukas finished well to second in the last run and has been on the way up lately. Possible if the favorite would fail.

3 Julian L.A. is the best horse in this company and he scored three good wins in six starts last season. Was not at his best at the end of last year but has recharged the batteries now. 4 Soccerbox finished to victory in the last seasonal debut and looked splendid. Should be even better now and is possible even if he is driven by the owner here. 7 Gintonic was unlucky behind a tired opponent in the last run. Finished well a bit behind the winner in the last run and looks nice. 8 David has been consistent and good this winter. Was on the way to a good result in the last run before he galloped.

6 Last Dying Breath had a good season as a three-year-old. He scored six wins and earned more than 300 000 SEK. He faces nice conditions here. Good chance. 2 Emperor is in good shape and has scored two convincing wins in a row. Likes the ice track. Challenger. 4 Lass Caviar showed good form in the last run. Was unlucky then but got just closely defeated. Should be followed. 11 Judge Peter has come back well. Is fast and got locked in with energy left in the last run. Outsider.

9 Magic Caviar has been on the way up and scored a couple of good second spots lately. This is the right distance. Good chance. 1 Avaboy likes these circumstances and prefers to run in the front. Is up and down but an early contender here. 10 Bidensky was second in the debut for a new trainer last autumn and showed good skills. Has recharged the batteries now after a couple of mediocre efforts. Should not be overlooked. 11 Ediego can finish very fast. Early contender in case of quick pace. Could finish to victory then.
