1 Victory has scored four out of eleven wins so far. Can open fast and is our winner. 9 T.Wall's Kastor came back well after a mistake and could win anyway three starts back. Could finish to victory with some racing luck. 5 King Oliver is not bad and if he would live up to his capacity he will fight for victory. 8 Made for Metalimo has only one victory in 14 starts and needs to be improved to be in the mix. Poor number though.

RACE 5, V64-2

Auto 2140

4 Simon Templar won comfortably from behind the leader two starts back and did alright in the last run after a tough final lap. **7 Peter Tie** starts for the first time in Sweden and the chances are not easy to predict. Has shown good skills and is possible. **1 Dubbio Amletico** galloped directly in the last start. Has good speed and is an early contender without a mistake. **2 Ici Moi** has one run under his belt after a long pause. Has good skills and should be followed.

RACE 6, V64-3

Auto 2140

1 Amazing Lady N.O. has six wins in 13 starts. Has not won twice in a row now but could change that here. **7 Debutante** galloped in a couple of starts but avoided a mistake in a qualification a short while ago. Is not reliable but an early choice without a mistake. **8 Ipanema Beach** has met much tougher opponents than these in three out of four starts. Possible despite this number. **6 Cascabella** was second in the last run and seems on the way up. She should be considered early.

1 Arcoveggio has good strength and she is ideally drawn here in the first circle. He should have a good chance to lead this throughout. **4 Pre Calculated** has not won for a while but is in good shape and he should be considered early behind the favorite. **9 Franklin Zet** has put in a couple of good efforts lately but without winning. He will normally be in the mix here. **5 Ecco Elholm** has done well in Sweden lately and should be followed in this race too.

10 Ingo made his comeback in Sweden in the last run. Ran without shoes in France but did well with shoes in the last run. Will normally be hard to beat here. **6 Santos As** has scored two straight wins and is better than ever. Early choice behind the favorite. **11 Samo Different Day** has been competing under the saddle lately. Sulky now and could be improved by that change. Possible. **4 Global Coldplay** has one run under his belt but has to be improved a lot to be in the mix.

RACE 9, V64-6

Auto 1640

5 Andover Heaven looked very nice before the last V75-start but galloped directly in the last start. Could take revenge here. **10 Protector Tile** is owned by Christoffer Eriksson and that is the reason that he needs to drive him. Is better than the latest results show. Early contender. **2 Highlove Tech** is the other Eriksson trained horse and Thomas Uhrberg is a good substitute. Nice number too. Should be considered early. **8 Alert Vendil** comes from victory and is in great shape. Tougher number though and needs some racing luck.
