Volt 2140

6 Amiral is interesting here for the new trainer. Has not raced since April and might need this one but is good for this class. Our winner. 4 Zally Gel got a trip from far back in the last run but finished well showing 11/800. Can do it tough and is an early contender with the right trip. 8 Boycott was fourth in the last run and showed good form. Tricky number five here but should be followed. 1 Mayfly Sock is probably the best horse in the first circle. Possible if he could find the lead.

6 Kattelbo Kajsa is our pick in this tricky cold blood horse. As a filly she has got a 20 meter advantage towards stallions and geldings who have earned less money. Good chance if she is at her best. 7 Sol Greia is another filly who faces good conditions. Is better than she has shown in the last two starts. 2 Moddjerva has two runs under her belt after a long pause. Should be on the way up. Contender. 1 Dån Klara was not good at all in the last comeback race. Is up and down but can do better. Nice number now.

2 Hankypanky Pinkman did alright in the last run after a two months break. Has won seven out of 14 starts so far. Nice task here. 12 Bajaro B.R. was clearly defeated by our pick when they met on Romme on December 30. The Tinter stable is in good form. Will defeat many opponents here. 5 Noble Tooma likes the long distance. The form is a question mark after a layoff and a non-start. Has to be followed. 9 Livi Passion should not be overlooked but needs some racing luck with this number in the second line. Outsider.

1 Alsaker Juni has become more reliable lately. Is fast but this number one behind the gate is tricky. Good chance with the right trip. 10 Jack M.R. is consistent and faces perfect conditions money-wise here. With the right trip from the back he will defeat many opponents. 4 Tangen Ternar came back strongly after a mistake two starts back. Resumes from a short break now. Contender directly. 11 Månbest A.M. did alright in the lead in the last run. Does not win very often but has good place chance with the right journey.
