9 Beauty Smart Face galloped in the comeback but scored a nice win in the last run and should be even better now. 7 Amorina R.S. galloped after 100 meter in the last run. Has been a non-starter after that and the form is a question mark. Has good skills though and is one out of many challengers. 10 First Lady Neo kept up the pace well after a defensive journey in the last run. Does not win very often but is possible here with some racing luck. 15 Silver Lore faces tough conditions and needs to put in a great effort to be in the mix. Outsider behind the favorite.

5 Mercury Boko made his debut for a new trainer and in Sweden in the last run after a layoff. Fought well but got defeated. Is certainly better now. 3 Solkattens Queen galloped from third on the inside with 800 meter to go in the last run. Beat easier opponents before that. Should not be overlooked. 12 Dalila Jet has not won yet but is fast and on the way up. Possible despite this poor number. 7 Man With a Plan F. has not convinced lately but is quite fast and should not be overlooked here.

2 Laugh'n a Half won comfortably in the lead in the last run. That was a well deserved victory after a couple of good efforts. Good chance again here. 10 Springdayfree was brave after attack from third on the outside with 650 meter to go in the last run. Is consistent and good and should be considered here. 12 Ambras Vici has got a poor number but is fast enough to finish to victory here. 3 Sweet Breeze has been up and down lately. Is good enough to fight for victory if she is at her best. Contender.

9 **Superiore** has started twice after a layoff and should be improved. Is gifted and our pick here. 2 **Önas Quintus** can open fast and should reach a nice position here. Might find the lead and will normally fight for victory here. 8 **Twentyfourseven DE** is a lot better than the latest results show. Poor number but possible with some racing luck. 4 **M.G.Livin Miracle** has not convinced lately but we know her capacity and she should not be overlooked.

7 **Zola Love** is interesting in the debut for new trainer Thomas Madsen whose stable is in good shape. Debut over the short distance. Top chance. 3 **Massine** has been consistent and good lately and will soon score a victory. Early choice behind the favorite. 9 **Adam Orden** galloped in the lead with 450 meter to go and had energy left then. Will find it hard to reach that position this time but is possible anyway here. 1 **Alfas Lucky Luke** is ideally drawn and will certainly reach a nice position directly. Could cause an upset.

12 Aperfecttric has been matched against tougher opponents and is better than the latest results show. Easier now and our pick. 1 Dame de Tailleur faces interesting conditions here. Will certainly try to find the lead here. Early choice in that case. 11 Micro Vick has not won for a while but she uses to meet tougher horses than these. 3 Fauntleroy had been a non-starter before the last run and was a bit slow then. Can do better and should not be discounted here.
