8 **Tekno Jerven** galloped directly last Saturday but came back well. Scored a splendid victory in the V75 on Romme on December 17. Good chance without a mistake. 7 **Soldhöjdens Drake** comes from a V75-victory on Östersund. Looked nice and should be considered early again. 6 **Bäcklös Uriel** started this year with victory. Should be improved by the last runs. 5 **Björlifanner** finished well to third on December 17 in a race won by Tekno Jerven. Place chance now.

RACE 5, V64-2

Auto 1640

7 Don't Get Closer is our pick in this open race. He has a couple of second spots after outside journey and faces perfect conditions money-wise. **1 Excellent Cash** got locked in with energy left from behind the leader two starts back. Is the only three-year-old in this race but this number is nice. **9 Zätamustangen** starts for the first time for the new trainer. Came back alright after an early mistake on October 27 and should be followed in the warming-up now. **10 Even Younger** has not convinced so far but been heavily backed on every occasion. Outsider after a layoff.

RACE 6, V64-3

Auto 2640

9 The Real Ragnar looked a bit slow in the last race on Östersund and probably did not like the surface. Debut over 2640 meter is interesting. **5 Queen of Gunners** resumes from a long pause. She showed good skills when she won on Solvalla in April last year. Has to be considered directly. **10 Coin Master** should have been improved by the last run after a pause. Showed then that the long distance is no problem. **4 Lovely Wine** has started twice for the new trainer. Will soon score the first victory.

RACE 7, V64-4

Auto 1640

4 Lill Hans scored a good second spot behind stable companion Guli Fantom in the last run. Does not meet him this time and faces nice conditions money-wise. Our pick. **6 Målbo Urbin** was our warning in the last run and he was close to win then. Good form and Mats Djuse again. **7 Reine W.** looked defeated in the snow in the last race on Bergsåker but countered to victory and showed the right attitude. Tricky number now. **5 Högnäs Baloo** was close to Reine W. in the last run and should not be overlooked.

RACE 8, V64-5

Volt 2140

13 Dream Creation was matched against tough opponents last season. He resumes from a pause here but is our pick anyway in this mediocre field. **14 Jaques Noir** galloped a couple of times in the V75 in December. He is tough for this kind of races if he avoids a mistake in the last run. **5 Nice Knight** is in good shape. Does not win often but could be in the mix here. **3 Front Pace** will be interesting to follow this time together with Magnus Djuse.

6 Kate River got a trip from far back in the last run and finished well to second. She faces nice conditions here and is our pick. 3 Diamant Vendil had been a non-starter before the last run and kept up the pace well after a trip from outside the leader. He is an early contender in this company. 7 Beau LeVallo is a bit up and down. Got locked in with energy left on December 19 second up. Could cause an upset with the right trip. 5 Nuage d'Inverne has done well in the last two starts. Magnus A Djuse is an advantage.
