10 For Real qualified in a nice time in December. He is a brother to Who's Who who has earned more than 13.7 million SEK. Our pick in this seasonal debut. 9 Konstantia Sisu started once as a two-year-old and did well in the lead then finishing 13/800 meter. Interesting seasonal debut. 1 Global Edge was heavily backed in the debut but galloped directly in the start. Chases revenge directly with this nice number. 8 Toppo could get a nice defensive journey in this seasonal debut. Should find an opening here.

1 Certainly got a trip from far back in the last over-paced race. He finished well on the home stretch. Our winner again. 4 Marre's Dreamboy was successful directly in the seasonal debut. Won comfortably finishing 12/800 meter. He should be considered early again. 5 Maverick Dream is often a bit fiery. Two starts back he could win but in the last run he got tired at the end. Interesting if he would be calmer now. 3 Young King has been consistent and good this winter. Finished well from far back in the last run.

2 Country Sound started only under the saddle last year and won five races. Has won easily in the lead lately but galloped in the last run. 5 Zlatan Knick likes this small field and should reach a nice position. Does not win very often nowadays but faces nice conditions here. 4 Västerbo Bankir resumes from a short break. All four wins last year were scored under the saddle. He should be followed. 6 Selfie Brodde is also a good horse in this discipline. Finished alright to third in the last run.

11 Jaguar Journey was a big favorite in the last seasonal debut but needed that race. Our pick in this open race despite this number in the second line. 2 Jeannica started once for Fredrik Wallin last year since she came from the US. Was not at her best then but will be interesting to see now after a pause. 8 Herbie impressed in the last race in Aarhus and won despite a tough journey. 7 Warlock is chasing the first victory. Is not bad and one out of many outsiders in this race.

12 Drill could not take the lead in the last run. Parked outside of the leader and was brave at the end. The horse is used to meet tough opponents and faces perfect conditions money-wise here. 9 Bovary Face got a journey outside of the leader in the last run and was simply the best. Showed good form after a couple of mediocre efforts before that. 5 Happy Socks Sisu is interesting in this comeback. He has not competed since the summer of 2021 and might need this race. Outsider anyway. 7 Mud Hill has earned a lot of money lately. Should not be overlooked here.

2 Tip of the Tounge has won three out of four races so far and comes from a splendid victory from outside the leader. Kihlström again and nice number. Good chance. 5 Nunja finished to a close win in the last run and is not bad at all. She should have good place chance. 6 Dance to Music scored a strong win on Romme on December 23. Is developing well and should be followed. 10 Vega Hall galloped in the seasonal debut and the form is a question mark. Outsider.

4 Drizzle was unlucky at the end in the last run and had energy left. Scored a nice victory in the V75 on Romme in the middle of December. Our pick. 12 Mirci A'lr had to open very fast (05.5-pace) two starts back and was brave. Resumes from a short break and has to be followed despite this number. 7 Comanches is a bit tricky and was far too fiery in the lead two starts back. New driver now and good for this class. 11 Jeppas Uppercut won easily from far back in the last run. Will defeat many opponents with the right journey.

4 Say No More Zaz started six times as a three-year-old and won three of them. Was a bit up and down though and is not a banker for us in this seasonal debut. 11 Michigan Bro is promising and chases the fourth win in a row. Debut behind the gate and first start over the long distance. First time in the second line too but early choice anyway. 5 Marea has been consistent and good so far. Finished well in the last run after an inside defensive trip. Will soon score a victory. 2 Xanthis Hilton put in a strong effort two starts back. Better number now than for a long while.

5 Samaritana ended last season with victory. She has got a longer break but is certainly well prepared by Nurmos. Our pick here. 4 Mitzy Gold was defeated in the last run by a horse who had got a nice defensive trip. Had scored a couple of wins in a row before that. Has developed well for Kylin-Blom and can open fast. 14 Indira Split has earned most money in this race. Put in a strong final lap in the last V75-race. Will defeat many opponents. 9 Carelya won the last run finishing 13/1000. Looked nice and is an early choice.

3 Ciak Bi has not competed for more than four months. He is the best horse in this field and Timo Nurmos uses to have his horses well prepared. 2 Final Whistle had a nice season last year but was not at his best in the last run. Seemed to have energy left in the V75 on October 29. Has to be considered early in this seasonal debut. 7 Kalle Taxam showed good form in the last run. Tricky number but will get an offensive trip here and has to be considered behind the favorite. 10 Xerxes Millpond is in good winter shape. With some racing luck he could defeat many opponents again here.
