3 West Wind has been racing on ice tracks lately. Won on an ordinary winter track on December 3 and if he handles the change of surface he should have a good chance here. 8 Pretty and Evil found the lead despite this number eight behind the gate on December 9 and scored a good third spot. Could get an offensive start again here. 1 Global Boost has two runs under his belt after a layoff. Could cause an upset here with this nice number. 5 Go Peppergirl was not at her best last autumn. Resumes from a spell now and is good for this class.

13 Vinn Tabac is our pick in this open and mediocre cold-blood race. He showed good speed to win despite a mistake on November 14. Has been a non-starter twice after that though. 6 Lova Lux has only started twice but been third and second. Good chance again but needs some racing luck with this number. 1 Styfs Mirakel has got an interesting number and should be considered early here. 12 Virvel Stjärna won after a nice journey but put in a good effort too. Should be considered early here too.

8 In Love Mearas tested the V75 in the beginning of December but never had a chance. Before that he had started his career with five wins in six attempts. Resumes from a spell now. Our pick. 1 Global Dazzle met a couple of tough horses in the last run but was not as good as expected either. Nice number and should be in the mix. 2 Quint is worth a warning. He never got a chance from behind the leader in the last run and had energy left at the end. 6 VästerboStreetWise won easily on November 11. The Magnus Träff stable is in good shape.

7 Borkvinn S.K. has developed very well the last couple of months. Finished strongly in the last run and is our pick here. 8 Tekno Filur is speedy but not reliable. One out of five horses trained by Jan-Olov Persson in this race. If he avoids a mistake he could start this season with victory. 6 Hulte Sixten finished well in the last run a bit behind the winner after a poor start. Ohlsson now and should be in the mix. 5 Järvsö Jop is driven by Persson himself. Is not reliable but has shown good speed in between mistakes. Has to be followed.

7 Anchor Man faces nice conditions money-wise and uses to meet tough opponents. He is better than the latest results show. Our pick here. 3 Joe Frazier Boko got a tough journey on the outside in the last run and gave up at the end. Scored a good second spot in the lead on October 28 and will certainly go for the front here too. 10 Jamaica Boko started 20 times last year without winning. She looked nice in the last seasonal debut and with a perfect journey she could cause an upset. 12 Amour Amour met tough opponents in the last run. Outsider here in case of quick pace.

10 Alm Andaman is in good winter shape. Won easily in the lead in the last run and got locked in with energy left before that. Interesting here together with Mats Djuse. 5 Farmpilot had a splendid season last year with six wins in nine starts. Got a short break now but should be followed directly. 7 Alm Kevin was ahead of our pick when they met on Bjerke on December 30. Could be dangerous here with the right journey. 6 Sol Storm is not reliable. Has earlier been driven by Jan Ove Olsen once and then they won. Outsider.
