4 **Fighter From Start** faces easier opponents this time and is well drawn behind the gate. Resumes from a short break now and is our winner. 2 **Hot'n Dream** kept up the pace alright from second on the outside in the last run. Has finally got a better number this time and should be in the mix. 7 **Hymne a la Vie** earned most money of all participants last year but has not won yet. Could cause an upset here with the right journey. 6 **Magic Monroe** was interfered in the final turn in the last run. Outsider here.

4 **Børke Loke** comes from victory and is in good shape. Gave away the lead then and won comfortably at the end. Nice number and good chance again. 1 **Tusse Gutt** has good gate speed and this number is perfect for a nice journey. In the mix. 6 **Prontoprinsen** wins often and has ten victories in 27 starts. Is in good shape and should be considered early behind the favorite. 5 **Nelson Anton** is not reliable. If he avoids a mistake he is fast enough to fight for victory.

10 Moose Macau has been on the way up in the last two starts. Finished well from far back in the last run and with the right trip he is our winner despite this number in the second line. 12 Magic Ken uses to finish well. Has been a non-starter and the form is a question mark. Will normally defeat many opponents here. 7 Victorys Maximus resumes from a spell. Finished well to fifth in the last run and is good enough to be in the mix directly. 11 Twentyfive Bekken was second in the last run and better than for a long while. Outsider.

2 Cartesio got a tough trip from outside the leader in the last race on Jarlsberg and was brave. Has got an interesting number behind the gate here. Our pick. 3 New Yankee would have fought for victory but galloped on the home stretch in the last ridden race. Is consistent and should be considered quite early here. 10 Best Regards has put in a couple of good performances lately. With the right trip from the back he will defeat many opponents here. 7 Estirado was brave in the lead two starts back. Tricky number now but should not be overlooked with the right journey.
