5 Albert Zonett has two wins and a second spot in the last four starts. He galloped on Umåker in November still fighting for victory. 7 Merritt has been second and third during last season in Östersund together with Henrik Svensson as a driver. They should be considered early. 6 Mellby Galanga found the lead early on the final stretch and won easily two starts back. He got a tough final lap in the last run and gave up. 8 Toutre is poorly drawn but this small field is an advantage. Outsider.

9 Hongslo Viktoria won despite a mistake in Östersund in February last year. She will visit the track again now after an easy victory in the last run. Our pick. 7 Nylander has galloped a lot the last couple of months but is in quite good shape and without a mistake he will be in the mix. 10 Vejmo Ester had energy left from behind the leader two starts back second up. Is good enough to win this but comes from a long pause. 6 Hjalmar Box is interesting with two runs under his belt. Early contender without a mistake.

7 Casartelli has put in several good efforts in Östersund without winning. Faces easier opponents here than he is used to. Good chance. 5 One For All has been at least third in half of his starts and we think he will be in the mix again. 10 Even's Good Girl has scored the latest six wins over the middle distance. With the right journey she should not be overlooked despite this handicap. 8 Giorgio B.R. finished well in the last run and with the right trip from the back he could cause an upset here.

2 Ängsthea won three races as a three-year-old and showed three starts back that she is back in good shape again. Nice number and our pick. 8 Pyckolina faces nice conditions money-wise and the right trip despite this poor number she is an early choice. 12 Borkmira kept up the pace well from behind the leader three starts back and set a new record. She finished to victory over the middle distance in May and should be followed. 4 Solör Jo scored his seventh victory when he won in Norway two starts back. He chases the third win in Östersund.
