11 Steady Roger was brave after a tough journey in the last V75-race. Is good for this field and our pick despite this number. 6 Lucky di Quattro has not convinced in the last two starts. Was good before that and should be considered early if he is at his best. 5 Retweet beat easier opponents in the last start. She is quick starter and should reach the front here. Possible with some racing luck. 12 Adam Orden is gifted but not reliable. Has a couple of runs under his belt and should be on the way up.

6 Denco's Galliano has met tough horses for this class. Has won six out of 21 starter but been a non-starter after the last race. Our pick anyway here. 4 Candlewick is Jerry Riordan quite pleased with. Our favorite to reach the front and possible there if she will be allowed to dictate the pace. Main challenger. 1 Oscarello has won 13 out of 21 starts but has been competing in Austria and Germany. Debut for Lugauer. The chances are not easy to predict. 5 Brave Hearth Oro has got quite tough journeys lately. Stefan Persson is an advantage.
