2 Queen Evo has four second spots in five starts so far. Is well drawn here over the short distance and should have a good chance to score the first victory. 10 Exactement got an inside journey in the last race on Solvalla and had energy left at the end. Main challenger but needs some racing luck with this number in the second line. 8 Thrive has got a couple of tight starts lately and scored a good second spot. Poor number eight now. Needs some racing luck. 11 In Face Smart is chasing the first victory. Would prefer quick pace.

5 Mister A. got a poor start in the last run but was simply the best after a wide final turn. Debut over the long distance here is interesting. Our pick. 4 Tip Top Southwind makes his debut over 2640 meter too. Won easily two starts back and has to be considered again. 7 Anastacia Broline did not convince in the last run and can do better. Does not win very often but has to be considered early. 2 Ajlexes Abraxas never had a chance in the last V75 race. Got a short break after that. Place chance here.

13 Nachos won three out of six starts last season as a three-year-old. Has ran in the lead lately but faces a handicap this time. Good chance anyway. 15 Sign Me Up Yankee galloped directly in the last start as a big favorite. Scored a good victory in the lead before that and without a mistake he is an early contender. 9 Gårändå scored the first victory in the last run. Interesting this time with Magnus A Djuse. Should not be overlooked. 4 Marre Vox scored a good second spot two starts back. Tricky number four. Outsider.

6 Linnjerka found the lead in the last run but gave it away. Won easily when she found an opening at the end. Has two runs under her belt now after a long pause. Our pick. 9 Åse Sannejentå is a bit up and down. This short distance suits her well since she is speedy with the right journey. Is driven by Djuse. 4 Guli Smilla won the last run and showed good form. She is well drawn behind the gate. Has to be considered here as well. 2 Klack Tea is better than the latest results show. Came back well after a mistake on November 4 and is an outsider without a mistake.

10 Amiral won directly for the new trainer in the last run and looked nice. Tougher opponents now but interesting number and he could reach a nice position directly. 7 Al's Starlicious uses to meet quite tough opponents. With the right journey he is possible here. 3 Salamanca is chasing the third win in a row. Does not always trot well but has the right attitude. Is driven by Sjöström now. 6 Miss Lovelace got a tough journey from outside the leader in the last run and we forget that race. She could cause an upset here.

11 Ready Doc has put in several good efforts lately and comes from a well deserved victory in the lead. Tricky number now but will defeat many opponents again with the right journey. 1 Hefner Am is a slow starter so this number is tricky. Has good capacity for this class though. 7 Vicar got a tough journey outside of our winner in the last run and scored a strong second spot. Could take revenge this time. 2 Alert Kronos resumes from a spell. The horse won in the V75 this time of the year last season. Outsider.
