Auto 2140

## RANK

1 Toruk Makto never got a chance from behind the leader in the last run. Had energy left at the end and with a better journey he has a good chance. 8 Daniel Frontline started a couple of times in the V75 in December. Finished strongly to third on Romme on December 17. Early choice despite this number. 3 Seatbelt Sign won the last run and showed good form. Better number behind the gate this time. Possible. 4 Minoo Teemer looked on the way to victory on the home stretch in the last run but got defeated at the end. Outsider.

1 Irjas Stjärna has been at least third so far. Came back strongly after a mistake on December 28 showing 13.5/800 meter. Our pick. 3 Marcelo Vieira won from outside the leader two starts back. Same position in the last run and was very brave. Early choice. 5 Vikens Cashflow was second in the last run and improved. Should be considered early behind the favorite. 11 Wind Fire is poorly drawn but possible in case of quick pace.

10 Boots Hanson got a tough final 700 meter in the last race on Bjerke and was brave. Won comfortably from second on the outside before that. Our pick. 9 M.T.Reed looked on the way to victory in the last run but got defeated at the end. He has one win so far but plenty of second and third spots. 2 Keep Flying Rapida did well from outside the leader on New Year's Eve. Should be considered early in this company. 8 Air Space kept up the pace alright in the V75 on January 7. Easier opponents now.

## RACE 7, V64-4

Auto 2140

7 Nordby Flamme got a tough journey from outside the leader in the last run and gave up at the end. Finished well before that and faces nice conditions here. 2 Troll Tundra resumes from a spell. Nice number and she is fast enough to be in the mix in this field. 10 Fux Deluxe would have fought for a place in the last run if he had not galloped with 450 meter to go. With the right journey she will defeat many opponents. 5 Eld Riga has galloped lately. If she avoids a mistake she is an outsider in this mediocre company.

7 Haradi finished alright in the last run after a short break. Scored a couple of nice wins last autumn and despite this number he is our pick. 9 Con Padre was close to win two starts back. With the right journey he could fight for victory here. 6 Skywalker is consistent and good and often in the mix. Possible behind our top duo. 11 Gabbys Star has won six out of 18 starts. In case of over=pace he will defeat many opponents despite this number in the second line.

4 Lincoln Abe Boko dictated the pace in the lead in the last run and won comfortably. Ulf Ohlsson is interesting here. Good chance in the lead. 3 TheBankonBroadway was clearly defeated in the last run but kept up the pace well. Tested the V75 before that. Interesting number. 1 Hamilkar Boko is consistent and good. Won comfortably in the lead in the last run and will certainly go for the front this time. Contender. 7 Leonas Sami comes from victory and is in good shape. Can finish fast with the right journey from the back.
