2 Barabobbitt has been competing in the V75 lately without being successful. He is fast and should get a nice journey with this number. Nice task. 7 Nemo M.L. has been improved and started this season with two splendid wins in a row. Finished very fast in the last run and is the main challenger. 9 Borups Vilde has done well lately and faces easier opponents this time. Starts behind a quick horse and this new driver is interesting. 1 Ice Knight is better than the latest results show. Galloped in the seasonal debut and was not empty then.

Mediocre race. 3 Urbina Southwind can open fast and is well drawn here. Won in the lead two starts back and could reach the front again. 7 Xanthis Fiction met too good opponents in the last run but looked good after a nice defensive journey. Can finish strongly. 1 Lady Madeleine has shown good strength and put in a good effort from outside the leader in December to finish second. 9 Surprise Surprise showed good form in the last run after a late opening and was not empty at the end. Has to be considered.

4 High Line Pellini is too good for this kind of race. He needed the last seasonal debut but is certainly improved by that run. Top chance. 12 Oskar Run has done well in tough V75-races and faces easier opponents here. Early contender behind the favorite. 7 Hazyshadeofwinter is also good for this class. Finished strongly on Romme two starts back and will be in the mix with a similar effort here. 8 Midleton was brave in the lead in the last run. Tricky now.

6 Bradbee has not raced a lot but put in a couple of nice performances lately. Comes from a strong victory after a tough journey from outside the leader. Our pick. 1 Gigolo la Marc needs a nice defensive trip to be at his best. Got a perfect journey in the last run and should get a similar run with this perfect number. 8 Oskar of Sand has eight wins in 13 races and has the right attitude. He should be improved by the last run under his belt. 7 Letthecowboysride is good for this class and should not be overlooked here.
