5 Tekno Viking did not convince in the comeback two starts back but was improved in the last run. Nice task here and our pick. 3 Guli Frodo has been consistent and good. Put in a strong effort in the V75 two starts back and is an early challenger. 4 Tekno Lynet was not at his best in the last run. Galloped with energy left in the race before. Possible behind our winner. 8 Dellenit did not trot well in the last run. Will normally be in the mix here but needs some racing luck with this number.

5 Zätamustangen got a tough journey from outside the leader in the last run. Showed good form then but got closely defeated at the end. Nice number here. 11 Gourmet Brodde looked nice when he won the last run after a 12-finish. Number in the second line now but with some racing luck he will fight for victory. 6 Dina Vendil has not competed since August. Got locked in after a mistake two starts back and looked nice. Should not be overlooked. 1 Deffi Norrgård is consistent and good. Has not won yet but is possible with a perfect journey.

6 Skuggfaksen was unlucky on Åby and had energy left at the end. The horse has good speed for this class and is our pick here. 2 Borkvinn S.K. galloped twice in the last run and showed good form before that. Deserves a victory soon. 7 Heas Prinsessa is a nice mare. She has not raced for a long while and might need this one. Should be followed anyway here. 10 Harvs Erik finished well to third on December 21. Was a bit slow in the last run but is one out of many outsiders in this race.

7 Isac Journey dictated the pace in the lead in the last run and won comfortably at the end. Will probably get a similar run this time. 10 Denali Doc is good enough to win this but the form is a question mark since he has not started since August. He should be considered early. 6 Checklist scored a good win in the last run after a perfect defensive journey. Should be improved by that run. 12 Big Hurt scored a nice victory on January 16. Needs some racing luck with this poor number.

3 Tip of the Tounge has won three out of five races so far. Was brave from outside the leader in the last run and faces perfect conditions money-wise here. 4 Angel of Trix met tough opponents as a four-year-old last season. She is interesting here after a pause and should be considered directly with this nice number. 2 Romanze got a tough final 800 meter in the last run and was close to win. She will fight for victory here too. 1 Arosa Hazelaar is consistent and good. Could get a perfect inside run here. Should not be overlooked in that case.

4 Rulle Roc had to attack from far back in the last run but after a strong final 800 meter he won comfortably. He is well drawn here and is our pick. 6 Mr Carioca is interesting here for the new trainer. He has won seven out of 19 starts so far and was matched in the V75 last season. 8 Golden Boy Sisuu has not raced since August. Poor number but is good for this class and should be followed anyway here. 1 Campagne de Press is better than shown in the last run. Had energy left before that. Outsider.
