9 Bond Eagle has been at least second in all seven starts but one in Umeå and he has four wins on that track. He was very good when he won the last run and is our pick here. 8 Taj One has met quite good horses in Finland and with the right start he will be in the mix here despite this number. 7 Conrads Gregor has been on the way up in three starts this year and if he avoids a mistake he will fight for victory. 5 A.W.'s Fastlight has scored all six wins together with the trainer. He will drive again here.

3 Per Jo has started this year well with two wins in three starts. If he finds the lead like in the last run he should have a good chance to win this. 4 Tåga Storm is absolutely good enough to win this but he gallops a lot and is not reliable. Has to be considered anyway. 10 Guli Kajsa has scored five wins with the trainer and is an early contender here too despite this number in the second line. 1 Tåga Blixten is the youngest horse in this company. Faces horses who have earned more but should not be overlooked without a mistake.

6 Gift From Love was second in January after a late opening. Scored a good win in the beginning of February. She has shown good form and is our pick. 3 Hotspot Simoni started the career with three wins in a row and has shown good form now in three starts after a layoff. 9 Prosperity W.F. has been consistent and reliable for a while now. Should be considered early together with new driver Hannu Torvinen. 2 Gibson Brick did well in the last run and should not be overlooked here if he is as good again now.

2 Lavicii Boko has been driven by Micael Melander on three occasions lately and done well. Won in Boden and Umeå and was second behind a promising horse in the last run. 4 A Girl Has No Name seems on the way up for the new trainer where she starts for the third time. Has to be considered early. 9 Amongst Stars has already won twice in Umeå and that was during the winter. Likes to compete this time of the year. 11 Emperor galloped possibly on the way to victory in the last run and should not be discounted.
