9 Lady Bros parked outside of the leader with one lap to go in the last run and was brave. Faces quite easy opponents here and this number is quite good. Our pick. 13 Elvis Travian is in good shape and chases the third win in a row. Tricky number in the third line over the short distance though. 15 Reality Hill is nice and comes from victory. She also needs some racing luck with this number though. 11 Twins Saki is consistent but the form is a question mark. Outsider.

4 Always Proud won five out of 15 races last year and was matched in the V75 too. Was not as good in November though but is back on track now and our pick in this open race. 9 Bajaro B.R. has started three times over the long distance lately. He is quite fast for this class and should be considered early. 3 Date Night is good for this class but has not competed a lot lately. Debut for a new trainer now and this number is nice. Has to be followed. 8 Jack J.E. made it to an E3-final last year. Poor number in this seasonal debut. Outsider.

8 Sebastian Ill comes from a short spell. He got interfered with 500 meter to go in the last run but could win anyway. Our pick despite this number. 3 Melinda is the less experienced in this field with six starts. She has won two of them and is fast when she avoids a mistake. 15 Hulte Sixten did alright in the last seasonal debut and with that run under his belt he could defeat many opponents this time. 7 Realsbo Molle has shown good form lately a bit behind the winner. Outsider.

10 Icon Mearas won directly after a layoff two starts back. Was poorly drawn over the short distance after that and never had a chance. Number in the second line again but middle distance. 3 Twigs Got U. is a good V75-horse for this class. He has not raced since October now but should be considered early with this number. 4 Axl Brown got locked in with energy left in the V75 two starts back. Early choice with a better journey. 6 Google Sisu got an impossible journey two starts back. Outsider here.
