9 El Vego Khalifa has started his career well and won five out of ten races. Owns good strength and debut over the long distance should not be a problem. Top chance to defeat all opponents. 4 Guiding Light has shown great form. Finished strongly on a tough track last Friday. Quick starter and will probably find the lead. 5 Leon Coger is nice and uses to put in a good performances. He has not raced for a while now and might need this race to be at his best. 7 G.K.Ursus is good for this class. Put in a strong effort in the last comeback race after a long pause.

1 Bold Lane is our pick in this open race. Scored a good win two starts back and also in the start before that. The Bold Eagle-son was not at his best in the last run though. Can open fast. 9 Handmade Love has had lots of problems. Has been both unlucky and galloped a lot. Is better than the latest results show and this number is nice. 7 Sweet Breeze started her career well. She has not been at her best lately. She has a couple of runs under her belt now and could be on the way up. 10 Diggins Bob scored a good second spot behind a very gifted horse in the last run. She is developing well.

4 Henessi Jubilee had a good first season on track last year. She has had a longer pause now and will be interesting to follow here. Debut behind the gate. 3 Staro Quesada is one out of three horses who are a bit better than the rest. Has got a break now but galloped with energy left in the last start against tougher opponents than these. 8 Giovanna Coger put in a couple of nice efforts last year. Would have been our pick here with a better number. 10 Barrett Bob is consistent but does not win very often. Has got a break before this race just like many other opponents here.

11 Amoa Bengt is our pick in this tricky race. He has not won yet but met tough opponents last season. Easier now. 15 Lumberjack Bros has done well lately and met quite tough horses. Needs to go around many opponents here but can do so. 2 Höwings be My Lady put in several good performances last year. Could get a nice trip with this number. 8 Alfas Kennedy is gifted but not reliable at all. If he avoids a mistake he is possible.

9 Maleiwa should have a very good chance here. Ola Samuelsson is pleased with here. Comes from a nice victory after a defensive journey. Is classy and our winner. 2 Lucky di Quattro was brave from outside the leader in the last run. Has met quite good horses for this class. Perfect number and should be in the mix. 1 Amorina R.S. can open fast behind the gate and should get a nice journey. Has one run under her belt after a short break and should be improved. 6 Retweet scored a nice victory two starts back and could be in the mix here.

4 Wingait Henke can open fast and has won ten out of 24 races. Stefan Persson is gifted and they should be able to reach the front. Has been a non-starter for a throat infection after the last start though. 7 Braddock is very good and has met tough opponents. Resumes from a spell but will fight for victory if well prepared. 12 Image Rapida is consistent and good. Has a 20 meter handicap towards our top duo but if they would fail he will be in the mix here. 13 Niky Flax makes his comeback after a long pause. Has been matched against very tough opponents and is interesting here.
