In the race before (after a pause and debut for a new trainer) she won easily in the front. 4 Cassiopea Font has won five out of 15 starts. She was fourth in the last run and did alright. In the race before she probably did not get grip on a tricky surface. 11 Cascabella finished well to second two starts back and could be in the mix here too. 9 Denisa galloped directly in the last start. In the race before she led for a long while in the V75. Should not be underestimated here.
