

RACE 1, V4-1

Auto 2140

7 Angel of Mercy scored two good wins in a row in October and November and has good capacity. Good chance after a layoff. 1 Marjan Black scored two straight wins in December and will certainly get a nice trip with this number. Is driven for the first time by Gustav Johansson. 11 Mint Brodda has good skills and done well together with Stefan Persson lately. Comes from a nice victory. 6 Scarlet One resumes from a spell. Took over the lead after 400 meter two starts back and won easily.

8 Nail'em came back splendidly after a mistake in the V75 on December 28 and comes from a strong third spot on Solvalla. Faces nice conditions money-wise here. Top chance. 11 Segway has been matched against tough opponents lately. He comes from a good effort in a V75-final. Main challenger. 3 Böhmanen is good for this class and seems back in great form. Has scored two straight wins in the lead lately. 6 Sun's Ambitious won easily despite an early mistake on October 11 and kept up the pace alright to a third spot two starts back.

3 Moon on Baroda was sixth in the last run and looked nice at the end. Scored a strong second spot before that (got defeated shortly before the finish then). 1 Martin V. faces quite tough conditions money-wise but has good skills and won easily in the lead in the last run. Contender. 7 Billy Idol can open fast and likes the short distance. Has not won for a while but should be considered quite early anyway here. 10 Utah Broline has good skills when he is at his best. Did not impress in the last run but could be dangerous here.

12 Gerben is quite tough. Has not been very successful lately but been matched against strong opponents too. 7 King of Greenwood is gifted and should be considered early directly after a layoff. Has ten wins in 35 attempts and could find an early lead here. 10 Conte Prad had a nice season last year with five wins in 18 attempts. With some racing luck he should be considered here. 3 Dats Pepito was fifth in the last race on Åby. He has at least good place chance here.
