8 Tekno Jerven avoided a mistake last Saturday and finished fast but could not reach the leader. Is not reliable but has good speed. Our pick. 5 Kavaleren got locked in at the end last Saturday and seemed to have plenty of energy left. Should be considered early in this company. 6 Wolt was not at his best in the last race of last season. Resumes from a spell and is possible here behind our top duo. 9 Pydin developed well as a ten-year-old last season. Could win directly in this seasonal debut.

3 Field of Dreams is chasing the third win in a row. She can open fast but gave away the lead in the last run and won on speed at the end. 9 Havannah Line is interesting in this debut for Daniel Wäjersten. The horse was a bit up and down for the former trainer but is fast for this class. 4 Global Dazzle did not live up to his capacity in the last run. He should be on the way up though and is possible here. 6 Don'taskdon'ttell has two straight second spots. Will soon score a victory.

8 Because the Night won easily two starts back despite a 07.5-opening. Galloped in the first turn in the last run. Good chance without a mistake. 10 Ares Face galloped in the last V75-race. Got a short break after that but should be considered early with this interesting number. 9 Barabobbitt is tricky but has good speed for this class. Has to be followed here without a mistake. 1 Nachos has scored the last two wins in the lead. Will go for the front this time too.

1 **Oss Can** won four out of twelve starts last year. Won comfortably in the lead in the last run but did not trot perfectly. Got a short break and is our pick here. 3 **Eld Tekno** faced a 20 meter handicap towards our pick when they met on December 12 and ran a faster time. Interesting start now and early contender. 2 **Fantomet** got a safety start in the last run but put in a good final lap. Quick pace would be an advantage here. 10 **Månbest A.M.** is consistent and good but has not won for a while. Could cause an upset here.

6 **Huddlestone** uses to meet the best horses in the V75. Had a splendid season last year and comes from a strong performance behind Axel Ruda in a V75-final. 9 **Dwayne Zet** was more heavily backed than our pick the last time they met but was not at his best then. Early choice behind the favorite. 8 **Donners Am** is still going strong. Resumed from a long spell in the last run and won directly. Poor number eight here. 4 **Empire Garbo** is consistent but does not win very often. Djuse again and has place chance.

10 Mellby Indigo was heavily backed in the last V75-race but did not trot well. Is strong and stands this distance. Our pick. 2 Star Muscle makes his debut over this 2640 meter. He fought very well in the last run but got defeated shortly before the finish. Early choice. 15 Miss Lovelace comes from a sensational victory. She uses to finish well and stands this long distance. Should not be overlooked again. 6 Isabelle Sisu is better than the latest results show. Outsider here.
