3 Sonja Kiro was successful as a three-year-old and finished at least second in six out of 13 races. Seasonal debut and the horse to beat. 5 Tåga Storm breaks very often but came back fast in the last run after an early mistake. Is fast enough to fight for victory. 9 Backegrabben started very well but has failed lately and the form is a question mark. He is better than the latest results show. Contender. 7 Eldar was improved in the last run. On the way up and should be followed.

2 Sweet Gold scored an outstanding victory two starts back and won very easily after a strong finish. Never had a real chance from far back in the last run. 5 Hotspot Simoni did not handle the circular start in the last run but he uses to avoid a mistake behind the gate. Is in good form and strong enough to win this. 4 Priscilla Håleryd is consistent and good. Had a good season as a three-year-old and will be interesting to see in this seasonal debut. Contender. 8 Blue Kitten was at least third on ten occasions last year. Has good strength.

7 Juri Gagarin has been heavily backed in every start so far and scored two good wins in four races. New distance in the last run and chases revenge here. 6 All Chance beat our favorite in the last run after a good finish. Has been improved a lot lately and is an early contender here too. 5 Perfect Sense H.C. is strong but has galloped in the last two runs on the way to good results. Should not be overlooked. 4 Brixen got a tough journey in the last run and was very brave. Similar opponents here and should be followed.

6 Oak L.A. has not been able to find the lead in the last two runs but we think he can do better. Could reach the front here instead. 1 **Madeleine Mess** opened fast in the last run and could find the lead. Scored a good third spot and she is very consistent and good so far. 5 **Amazing May** opened fast to the lead two starts back and is well drawn behind the gate here. Will certainly get a nice journey again. Has to be considered. 7 **Sweet Candy Girl** has not shown the right attitude lately. Outsider.

11 **Bond Eagle** has convinced a lot and scored many nice wins on Umaker this winter. Is all-round and has great skills. Top chance to score a new win. 12 **The Oak L.A.** comes from a tough victory after an offensive journey. He is really good every now and then and could challenge the favorite. 3 **Somebody's Destiny** won six races last year. Home track now and has been matched against tough V75-horses. This distance is an advantage. 5 **Just Celebration** has not been at his best lately. Belongs to a stable in good form though and could cause an upset.

11 Last Dying Breath has no less than eight wins in 13 starts and this season the gifted four-year-old has started with two wins. 9 Timeless Sunset is tough and won the last run after a strong performance. He will certainly get an offensive trip here. 2 Twins Lily is in great shape and after a V75-win in December she has scored two more wins in the lead. 12 Flap Setting finished well a bit behind the winner in the last V75-race. Has been improved for the new trainer and should not be overlooked here despite this poor number.
