3 Tour Eiffel put in a strong effort in the last run after an early mistake. Is in good shape and can open fast. Top chance. 6 Excuse Me has been up and down lately but she is good for this class. Early choice behind the favorite. 1 Excellent Torkdahl won comfortably in her comeback and she was brave in the last run after a tough journey. Should not be overlooked. 2 Aronia is a quick starter and could find the lead here and give it away to the favorite.

2 Holiday has not convinced lately but is gifted. This number is alright. Good chance. 1 First Money Day has not been at his best lately. If the six-year-old trots better now he should be considered early. 8 Bushwhack P.T. has one run under his belt after a longer pause. Is certainly a lot better now. Should be followed. 7 Iniesta Bros has not started for a while and might need this race. He is possible anyway here.

3 Chablis scored a splendid win during Winter Burst in Aalborg and did well in the last run from far back after a short break. This distance is an advantage. 5 Twilight D likes the Aarhus clockwise track which he showed once again in the last run. Great form and early choice here too. 1 Great Shadow has two straight wins and is better than ever. Is the only horse in the first circle and will lead this for a long while. 6 Alpha Peak has done well lately without winning. Will defeat many opponents here with the right journey.

12 Bosse Game scored a close win after a strong finish two starts back. Faced tough conditions in the last run but did well and had energy left at the end. 7 Dekadent K comes from a well deserved victory after attack from second on the outside on the far stretch. 11 Arn Kronos wins often and uses to be in the mix. Tricky number but early contender with the right journey. 3 Eistee Bakkely could find the lead here but is an early choice regardless the journey.
