7 Jackpot Pellini has earned less money in this race but he won easily at the end in the last race and looked very nice after finishing 11.8/500. Our winner. 10 Quicksilver Tile won three out of six races last year. The form is a question mark after a pause but normally she will fight for victory. 2 Loveheart C.O. did not trot perfectly in the last run and did not finish. Won easily in the lead three starts back. Nice number. 6 Bottnas Jaguar is a bit up and down but he is good enough to be in the mix in this company.

3 Emma Talking could have had three wins in a row in Norway if she had not galloped in the debut for Hamre. Convinced in the last run and finished fast. 5 Alegrito made it to the Norwegian Derby last year and is the main challenger in this seasonal debut. 4 Kind Of Steel has seven wins in twelve starts. Won directly after a pause in the last run and should be improved. 1 Blue Spirit has been consistent and good. Nice number and could fight for a place again.

9 Månin Lilja is our pick in this open cold blood race. She has shown good form lately and comes from a well deserved victory. Good chance but needs some racing luck with this number in the second line. 5 Østby Saga was more heavily backed than our pick the last time they met. Could not win but finished strongly and has to be considered. 8 Vesle Vilje ran in the front in the race won by our pick. Got caught shortly before the finish and is in good form. Poor number though. 6 Tverdals Modina is consistent and good. One out of many outsiders in this company.

6 Oh U. Sexylady found the lead in the first turn in the last run. Dictated the pace and won easily. Similar number now and this short 1609 meter should suit her well. 2 Premiär Tooma was second in the last run and improved. Finished well from second on the outside and has got a nice number. Early contender. 5 Beluga was not at her best at the end of last year. She can open fast and likes this short distance. 1 Supreme Sund was not at her best in the last run and has been a non-starter after that. Normally in the mix.

10 Frk. Stilig deserves a victory after three second spots in a row. Found room late and had energy left at the end in the last run. Our pick despite this number in the second line over the short distance. 11 Valle Rappa resumed from a long pause in the last run but did not trot well. Has been a non-starter after that and the chances are not easy to predict. Has good speed though. 1 Stuve Storm had fine form last autumn and is better than shown in the last two runs. Nice number and an outsider. 9 S.K.'s Bukefalos did not compete a lot last season. Galloped on May 5 still fighting for victory. Outsider.

5 Fine Wine Fashion is only three years old and faces older opponents here. Scored a very nice victory in the last run though. She found the lead after a while and won easily with energy left. 4 Call Me Solfrid makes his seasonal debut here. Was consistent and good as a three-year-old and has to be considered directly. Good place chance. 11 Luckyblackmagic S.C. won easily in the lead on February 15. Different number now and needs some racing luck. 1 Mustang Valley got locked in with energy left in the last run. Needs some racing luck with this number and should not be overlooked.

3 Tusse Gutt galloped in the lead on the home stretch. Had shown good form before that and faces nice conditions here. Quick starter. 10 Wik Viktor got a poor start in the last run and got a trip from far back. The horse seems on the way up anyway and he is good for this company. 1 Prontoprinsen is fast enough to win this but this starting method is tricky for him. Early choice if he avoids a mistake. 11 Johnsrud Vesla was not at her best in the last run. She will defeat many opponents if she lives up to her capacity.

6 Ottens Idol was second in the last run and put in a strong seasonal debut. Normally she should be improved by that run. Could take over the lead here. 7 Elvira Damgård had a strong season last year with six wins. She has good strength and has to be considered early directly in this seasonal debut. 9 Quickstep O. was not at her best in the last run and will certainly get a defensive journey with this number. Has good speed for this class. 8 Nelson Bright Eagle did alright in the seasonal debut and seems on the way up. Outsider.

6 Pure Atlas made his debut for a new trainer in the last run. Galloped with one lap to go but came back strongly. He is probably the best horse in this field but not reliable. 7 The Baron gave up in the lead in the last run but was brave. He might get an offensive start here despite this number behind the gate. 2 Callas is in good shape. She has three second spots in a row and deserves a victory. Has to be considered early. 11 Access has a couple of runs under his belt and is on the way up. With the right trip he will defeat many opponents here.
