2 Aksel Pedro is our pick in this open and mediocre race. He scored a good second spot on November 27 and with a similar performance he has a good chance. 4 **Delicious Monica** gave away the lead in the seasonal debut and gave up at the end. Should normally be improved by that run. 3 **Estirado** scored a good second spot in the lead on January 25. Will go for the front here too and is an early contender in that position. 6 **Mangas Coloradas** is better than shown lately. Had a nice season last year with two wins in eight starts.

4 Granly Storm is consistent and good. Did alright from third on the outside in the last run and faces quite easy opponents now. Good chance. 3 Ask Titan came in second in the last run and was improved. Has not raced for more than a month after that but is well drawn here. Early choice. 1 **Frosta** won easily after a nice defensive journey on September 25. Resumes from a break but should get a similar trip now. Outsider. 8 **Brødsjø Brisa** came back alright after a mistake in the last run. Should not be overlooked but needs some racing luck with this number.

7 Strong Vacation put in a nice performance in the last seasonal debut. Had to attack with 700 meter to go and kept up the pace well. One run under his belt now and ready for victory. 1 Dreamliner is better than he has shown in the last two starts. Nice number here and early choice. 3 Noble Tile scored a nice second spot two starts back but came in sixth in the last run and was not as good as expected. 5 Justice Rhyme uses to meet tougher horses on home track Åby. Outsider here.

2 Big Bonus is not reliable but has good speed for this class. Made a big early mistake two starts back but came back strongly to finish fifth. Our winner without a mistake. 4 M.H. Getonmylevel has been consistent and good. Can open fast and should get a nice journey here. Early choice. 6 Hansen Halbak failed in the last run and has got a short break. Is not bad for this class and should be followed now. 1 Fourfivesconds found the lead and gave it away in the last run. Never found room at the end. Interesting number here.
