11 Global Dependable could have been undefeated after two starts but he got interfered in the last run still fighting for victory. Needs some racing luck with this number in the second line and has a good chance in that case. 10 I've Got Pepper has run in the lead in both starts so far. Has got a short break before this race. Early contender. 12 Husar Brick scored a very good win in the lead on December 14. Resumes from a short break and will defeat many opponents with the right journey. 8 Champagne Trot is tricky but when he won he showed good speed for this class.

3 Bottnas Jake is promising and has three wins and two second spots in five starts. Seemed to have plenty of energy left in the last run. Good chance. 10 Pure Fortune resumes from a long spell. Is good for this class and certainly well prepared since Kolgjini travels all the way to Solvalla. 7 Razer af Knukebo is strong and likes this long distance. Fought well in the last run and will defeat many opponents again. 8 Buzzed Driving is consistent and good. Place chance with the right journey.

6 G.R.J.'s *Wolverine* had a very strong season last year under the saddle. He has not raced since December but we think he will put in a great effort directly. 5 *Zlatan Knick* is consistent and good but has not won for a while now. Emilia Leo is a top jockey and should always be considered. 2 *Yrwing* comes from a sensational win under the saddle but put in a great performance. If the favorites would fail he could cause a surprise again here. 3 *Matamoros* has not competed for a couple of months. Place chance here.

2 *Farzana* started in January and was brave from outside the leader then. Has got a break after that but is our pick in this race for fillies and mares. 1 *Charlotte Bailey* has not raced since October. Showed quite good speed as a three-year-old and has got an interesting number in this seasonal debut. 3 *Cornet Beluga* has four second spots in a row but we still think she has the right attitude. Should not be overlooked. 8 *Bottnas Intense* comes from a V75-race. Tricky handicap over the short distance but should not be discounted.

13 **Father** won easily in the lead in the last run and is in good shape. Poor number now but faces good conditions money-wise. Good chance. 8 **Neo** never got a real chance in the last V75-race but put in a good effort and uses to keep up the pace well. 15 **Rio Luca** parked outside of the leader in the last run. Got an offensive trip and was brave. He could defeat many opponents here. 5 **Obama Zon** gave up in the lead in the last run. Was maybe not at his best but could be an outsider here.

2 **Dreamtide** has started twice and she seems on the way up. Handled this number well in the debut and is our pick here. 3 **Exposed Sox** never found room after an inside journey in the last run and had certainly a lot of energy left. Early contender here with the right trip. 8 **Nikita Boko** scored a good win in the debut. Djuse again and she should be improved by that run. 6 **F.B.I.** has got a break after a couple of starts as a two-year-old. Interesting now together with Goop.

3 Jaxon V.S. faces nice conditions here and is well drawn over the short distance. Will probably run without shoes this time and that is an advantage. 10 Global Classified has won a lot lately and chases the fourth victory in a row. In case of quick pace he will fight for victory here. 5 Ciak Bi gave up in the last run after a tough opening. The form is a question mark but when he lives up to his capacity he is good for this class. 4 Rally Inge never got a real chance in the last run. Much better number now. Contender.

6 Wish Me Magic has been consistent and good this winter with shoes. Will probably run without shoes today which gave a nice effect last year. Good chance. 1 Condior has got a break this winter but is allowed to run without shoes again now. Quick starter and early contender. 11 Maverick Dream is consistent and good. Is often a bit fiery but can attack from the back too. Would prefer quick pace. 5 Reddington is better than the latest results show and has to be followed after a layoff.

5 Southwind Boko won the seasonal debut last year after a similar pause. She has good speed for this class and this number is nice. Top chance to win. 7 Roubine is a bit up and down but really good every now and then. She is an early contender behind our favorite. 2 Somethingroyal was not as good as expected in the last run after a pause. Should be improved though and this number is nice. 10 Bird Lane failed in the last V75-race heavily backed. The form is a question mark. Is good for this class though.

5 Drill looked strong when he galloped in the first turn in the last run. Put in a nice effort in the race before after a tough final 750 meter. 2 Agassi Broline has not started since September. Is good for this class and has got a nice number. Has to be followed directly. 7 Michigan Bro got a trip from far back in the last run and finished strongly again. Tougher opponents now but should be considered early. 6 Sultan Sea comes from a V75-win. Would prefer quick pace and should not be overlooked here.
