8 Selmer I.H. has won eight races since November and when being defeated he finished second on two occasions. He will be hard to beat here without a mistake. 1 NoLimitJimMit likes this number directly behind the gate. Should get a nice journey here and will be in the mix. 6 Hesiod scored a good fourth spot two starts back and if he is at his best he will fight for a place. 5 Double Trouble E.P is good every now and then and can open fast. Place chance.

7 Baltimore Broline scored two wins last year and showed then that he can open fast with the circular start. He has got an even better number now and is our pick. 11 Oak L.A. seemed on the way to victory in the lead in the last run but galloped on the home stretch. He is not reliable but has to be considered without a mistake. 9 Leonas Yakira had a number in the first circle when winning this year but can do it tough and should handle this number too. 5 Global Daylight has one run under his belt after a break and should not be overlooked.

6 Lavicii Boko scored a good win despite an early mistake in Boden in December. He has won on Umåker both in January and February and is our pick. 7 A Girl Has No Name did not trot well and galloped on the home stretch in the seasonal debut. She has done well lately and is fast enough to be in the mix here. 3 Bugs Bunny Buzz won three starts back and has shown good form after that too. Has to be followed. 8 Laurentius Valiant was very good over the short distance in Boden two starts back.

4 S.K.'s Sjarmtroll won easily in the last race in Boden. She is good for this class and will be driven by John Östman again. They should have a good chance. 10 Hammarns Qrut is not as experienced as his opponents in this race. He has been successful so far though and should be considered early without a mistake. 5 Saga Kiro has avoided a mistake on two occasions this year and then she has won too. Early contender if she does not gallop. 1 Sibelius has got a nice number and should be improved by the last run. Has to be followed.

12 Somebody's Destiny had a good season last year with six wins. Finished well to third in the last run and seems to be in good shape. 14 Gambling Face won eleven races under the saddle last year but showed in the last run that he is a good sulky horse too. Won easily and should be considered here as well. 2 Some Come has put in two good efforts lately after journeys from the back. He is a quick starter and likes to run in the front. Interesting number. 11 Soleil d'Inverne likes this starting method and could be in the mix here with the right journey from the back.
