6 Enge Eros finished strongly to a second spot in the last V75-race and is back in good shape. He should handle these opponents and has a good chance if Sjöström finds room in time. 9 Conch on Inn is the main challenger. Comes from three V75-starts in a row and should be tougher now. 4 One For All is consistent and good but does not win very often. Could cause an upset here. Good place chance. 8 Aramis Amok was interfered to a mistake in the last V75-race. Is driven by Rikard Skoglund again. Outsider.

13 Kruson has started three times after a long pause and done well on all occasions. He has earlier been second over the long distance and stands it well. 1 Tekno Filur avoided a mistake in the seasonal debut after galloping a lot last season. The horse is fast for this class and should be considered early without a mistake. 8 Hyndlas Krumelur has two wins in a row and is in great shape. Tougher opponents now but he should not be overlooked. 7 Skuggfaksen was improved again in the last run and scored a nice second spot. Is good enough to be in the mix here.

11 Lady Bros was outstanding in the last lunch race on Bollnäs. Tougher opponents now but with some racing luck he has a good chance here despite this handicap. 1 Marre Vox finished well to a third spot in the last run. Could reach the front here and lead for a long while. 6 Kattens Aladin is a bit up and down but if he is at his best he is really good. Like in the last run where he finished fast to victory after an inside journey. 4 First Class Flight scored the only win so far in the lead. Is at least an outsider here.

11 Diamond Kronos got a tough journey on the outside in the last comeback. Should be improved by that run. One out of few horses who has started and won over this long distance. 10 He's From Heaven kept up the pace well after an inside journey against tough opponents in the last Solvalla race. Could score the first victory here but needs some racing luck. 4 Zätamustangen is in good form. He should have a nice chance to find the lead. Early contender if he will be allowed to dictate the pace. 5 Perseus Digital has two runs under his belt. Seems to have good strength.
