12 Farpilot has scored two outstanding wins this year and is really good for this class. Poor number though and not a banker for us. 14 Moddson is a top horse who is on the way up again after a long pause. Came back well after a mistake in the comeback. 8 Sol Storm avoided a mistake in the last run and scored a good second spot behind a good winner. Is good enough to challenge. 11 Järvsö Kurt had a good season last year and earned more than 300,000 SEK after six wins. Has one run under his belt now. On the way up.

The horse to beat. 1 Tekno Jerven has best speed but gallops a lot. Tricky number today. 7 Järvsöodin scored a well deserved victory in the last run. Was very tough after an offensive trip and likes to run in the front. 9 Pydin finished strongly to second in the last seasonal debut. 2 Cornerstone scored a good third spot in the last V75-race. Is very consistent and good and deserves a victory here against easier opponents. Nice task. 1 Whispering Pines has done very well in his comeback and faces easier horses now than in the last V75-race. Could get a perfect trip over these nice conditions. 5 Samson is very good when he lives up to his capacity. Has recharged the batteries and will be very interesting to see in this seasonal debut. Can do it tough. 3 Mysterious Lucifer was not at his best in the last run but has got a better number now and likes to run in front.
