1 Smiley beat the leader from the outside in the last run but got defeated at the end. Put in a good effort and this is the first start for trainer Frode Hamre. 3 **Orlandostile** has done well in both starts for Kristian Malmin. Won comfortably in the lead two starts back and should be considered early. 2 **Janne Frecel** is the outsider here. She got an inside journey in a V86-race last Wednesday and was not empty at the end. Could cause an upset here. 5 **Wishmaster** did alright last season and is better than the results show. Outsider too.

1 **Lizzi B.R.** is our winner here. She has scored two second spots after a layoff lately and will soon score the first victory. Galloped in a tight situation in the last run but came back well. 4 **Speedy Vici** has not won yet but is quite fast for this class. Was interfered in the last run and we forget that start. 5 **Thai Daphne** belongs to the same stable as our pick. Finished well to second in the last run and has to be followed behind the favorite. 10 **Lovesickle** did alright in the lead in the last run. Has to attack from behind now and is an outsider.

5 Gylden Joker wins often and uses to be in the mix when he avoids a mistake. Got a trip from far back in the last run but won comfortably after a strong finish. 9 Åsaguten found an early lead in the last run and won easily. Different number now but he is consistent and good and should be considered early. 3 Hassel Oliver scored three wins in a row earlier this winter but was not as good after that. Nice number and should not be overlooked. 1 Såstad Brage has not been at his best in the last two starts. Has good skills.

3 Utah Southwind attacked from far back with 700 meter to go in the last run and got a tough final lap. Was brave and will soon score the first victory of the year. 9 Fighter From Start did not trot well in the final turn in the last run but finished alright on the home stretch. Should be considered early in this company. 7 Hawk Sisu can open very fast. Gave away the lead in the last run and would be interesting to see in the lead here. 6 Tom Ki has quite good speed but does not win very often. Outsider with the right journey.
