5 Global Ebony was heavily backed in the debut and came in second. Put in a good effort though and if she handles this number five in the circular start she has a good chance. 3 Kind of Silver got a nice number in this debut and Westholm uses to have his three-year-old horses well prepared. 7 You to Rowdy found room late in the debut and was not empty at the end. Should be improved by that run and has to be considered early here. 10 Global Embassy looked alright in the debut. Needs some racing luck with this number in the second line and she will be in the mix then.

4 Thereisnolimit arrived from the US and had a good autumn in Sweden. Interesting seasonal debut here and he is our pick. 5 Coquaholy made it to Kriteriet as a three-year-old and this comeback is interesting. Will run with shoes though. 1 Letsdoit got a perfect number in the first start of the year. Was a bit up and down last autumn when he came from the US. 6 Destino D.J. needed the last V75-race. Scored a very good victory on November 25.

2 Nobby Stiles Boko looked nice in the qualifier. He got a tricky number in the debut but without a mistake he has a good chance directly. 1 Holy Mole makes his debut too here. Will certainly get a nice journey with Erik Adielsson and this number one. Early choice. 8 Denise Combo won the only start as a two-year-old in the lead in home country Finland. Met quite easy opponents then but looked nice. 6 Västerbo Pentax galloped directly in the last start. Was consistent and good before that. Place chance here.

8 High on Pepper comes from a win in the V75 and before that he won over his favorite long distance. He should have a good chance to beat these opponents here too. 7 Beat Generation ended last season with a victory in a ridden race. Interesting five-year-old who should be followed directly after a layoff. 9 Cruise got locked in on the inside with energy left in the last run. With a better journey the horse has place chance here. 12 Leonas Sami is better than shown in the last two starts.

4 Dream Sensation is chasing the fourth win in a row and faces perfect conditions money-wise here. Handled this number four in the last start. Good chance without a mistake. 5 Kron Vici Star did well without front shoes last autumn and will run like that here too. Should be considered directly after a pause. 2 Air Space has finished fast in the last two starts and deserves a victory soon. Adielsson again. 11 Behind Lord needed the last run after a layoff. Will defeat many opponents here with the right trip from the back.

3 Mona Moonlight makes her debut for Björn Goop here. Started on Sollvalla in December and has got a training period after that. Our pick. 1 Matiere galloped with 500 meter to go in the last comeback race after a long pause and did not look empty then. Early choice now. 7 Martin V. found an early lead two starts back and won easily. Has to attack from the back now but should defeat many opponents with some racing luck. 4 Embrace It did not win a race as a three-year-old but showed good speed. Will be interesting to follow in this seasonal debut.

6 Mellby Imperial is our pick directly after a pause in this open race. He has good speed for this class and started very well with two wins in a row. 8 Brilliantsky is an early choice despite this number eight. Convinced in a new record in the last run and should get a nice season this year. 1 Jocke Thå is interesting with Kihlström and a nice number. The horse can open fast and is in great shape. 2 Chip Shop finished strongly from far back in the last run and is better than the latest results show.

3 Click Bait has one run under his belt now. Did alright in the lead with shoes then. Without shoes now and good chance to reach the front again. 9 Eddy West was not at his best in the last run. Has otherwise been consistent and good and uses to finish fast with the right journey. 4 Seismic Wave did not trot well in the final turn in the last run and galloped. When he is at his best he has very high capacity. 8 Chestnut Hill has been consistent and good lately. With some racing luck he could be in the mix here.

11 Mirci A'lir found an early lead in the last run and was outstanding. Different task now with this handicap over the middle distance. Our pick anyway. 3 Salamanca is a bit up and down and does not always trot perfectly. Put in a very good effort in the last run though. Interesting number here. 1 Lovelymere does not win very often but she could get a perfect defensive trip with this number. Has to be considered. 6 Flap Motor has scored both wins in the lead. Ulf Ohlsson will certainly go for the lead here.

2 Real Scotch did not look at his best in the warming-up before the last run but was improved a lot in the race itself and scored the eighth win in the eleventh start. Nice number and good chance again. 1 Balotelli Face is interesting in this seasonal debut. We think he will get a good season and he faces nice conditions money-wise here. Good place chance directly. 6 Oh Cean galloped directly in the seasonal debut but showed good speed after that. Certainly improved by that run and possible here. 10 Hipster K. showed good speed last year. Place chance now after a pause.
