11 Mellby Image has started well for the new trainer and seems on the way up too. Deserves a victory and should have a good chance despite this poor number. 2 Amazing May put in a good effort in the last run after a tough journey from outside the leader. Likes this distance and has got a better number than the main rivals. 12 Tailwind scored a strong victory earlier this winter but has not been as good lately. Would prefer quick pace. 7 B.W.Spica has done well in Finland and chases revenge from the last race.

He scored a convincing victory and was good in the last run too against tough opponents. 14 Oak L.A. has several second spots lately but two starts back he galloped two starts back on the way to victory. 7 Torrent d'Inverne has competed a lot this winter and been successful too. He has earlier shown that he can match Swedish opponents. Our pick. **4 No Beer Drinker** comes from a well deserved victory. Is in good shape and could be on the way up now. Nice task. **11 Magic Caviar** has been matched against tough opponents lately and with the right trip he is an early contender here on the home track.
