6 Toscana Southwind has seven wins in twelve starts so far. Finished to an easy win in the last run and if she is at her best she should have a good chance here. 11 Arvid Tilly is in good shape but has been unlucky lately. Got locked in two starts back but this number is nice. Early contender. 4 Sign Me Up Yankee was poorly drawn in the last run and never got a real chance. He is a lot better in front and chases the lead tonight. 2 Mister Provident was already defeated when he galloped in the seasonal debut. The form is a question mark but these conditions are interesting.

5 Alm Randers won no less than ten races last season and has done well this winter too. Won easily in the lead in the last V75-race and faces quite easy opponents here. Top chance. 2 Pyckolina could take advantage of this nice number and as a mare she has got a 20 meter advantage here. Challenger. 3 Tekno Lynet has been up and down but scored a couple of nice victories and normally he prefers this short distance. 7 Tekno Viking is good for this class but he has been tricky lately.

Open race and most horses here have not convinced lately. 4 **Omega Superstar** is better than the results show. She has recharged the batteries and is our winner directly after a break. 10 **Black and Quick** got a nice journey in the last run but did not finish as fast as expected. Easier opponents now and early choice. 11 **Again Kronos** has been on the way up after a layoff and should be considered early in this company. 1 **Maison Plage** is an outsider with this nice number. Quick starter and could get a perfect journey.
