

### RACE 1

Auto 2140

9 Comtessa Du Chagny put in a couple of nice efforts under the saddle in January. Won in the lead for Kristine Kvasnes on January 13. Good chance again. 10 Sue was second in the last run and improved. He has won two out of three races under the saddle so far and should be considered early. 5 Emmet Bonanza resumes from a spell. Might need this race but scored a good win in this discipline in the last run. 6 New Yankee is consistent and good. With the right journey he will be in the mix here.

3 Briskeby Pilen is our winner in this open race. He is not reliable but comes from victory in a new record and is in good shape. 10 Ask Leo has not convinced lately and galloped three times in a row. Is good for this class and the main challenger. 11 Alm Andaman was not at his best in the last run. Won in the lead on January 27 and looked nice then. Is good from behind too. 8 Prontoprinsen galloped as expected in the last run. Is more reliable in the circular start. Outsider.

3 Diva Ravina competed in the Swedish V75 two starts back. Never had a chance but faces easier opponents here and this number is better too. 2 Yarra Classic was allowed to dictate the pace in the lead in the last run. Has started three times after a long pause and should be on the way up. 1 Mie Frecel is consistent and good. Interesting number and if she finds room at the end she could cause a surprise here. 9 N.Y. Moet is a quick starter so this number is a handicap. Possible anyway here with the right defensive journey.

3 Popthechampagne won in the lead in the last run and showed good form. He could reach the front again here and has a good chance then. 6 U.S. Marines was unlucky in the last run and not empty at the end. Did not trot perfectly though. Had got a long break before that. 5 Maggan Jade has done well in both starts this year and finished strongly to third in the last run. Has to be considered early here. 12 La Toya B.R. is poorly drawn and resumes from a spell. She is good from behind too but needs some racing luck.

8 Starbec's A.to Z. is in great shape and he has earlier won over three laps. Faces nice conditions here and is our pick. 12 Ble du Gers is twelve years old now. He is a bit up and down but seems on the way up and should be considered early in this company. 7 Bransbys Juke Box has good strength so these three laps suit him well. Was second two starts back and very brave. Should be followed. 9 Park View has one run under his belt and should be improved by that. Outsider with the right journey.

7 Sandokan galloped in the first turn as a V75-favorite on Romme. Got locked in behind good opponents before that and chases revenge here. This long distance suits him well. 3 Gucci Line looked very nice in the seasonal debut on Jägersro and normally he should be improved by that run. 8 Patrick Palema won the Norwegian debut and had energy left then. This distance is new and this number poor. Early contender anyway. 9 Customer As has done well for Gaute Lura. Nice number for a defensive trip and could cause an upset with the right journey.

4 Red Hot Roadster looked really nice in the last run. He attacked from far back with 600 meter to go and was simply the best. Faces nice conditions money-wise and is our pick. 11 Castor the Star won easily in the lead on Örebro. Ran without shoes then but might go with this time. Poor number. 2 The Baron is a quick starter and will certainly be driven in the lead now over this short distance. 1 Skate Trix has one run under his belt. Could be dangerous with the right journey.

13 Stumne Fyr is undefeated this year after four starts. Could be the best again here but needs some racing luck with this number. Not a banker for us. 1 Bäcklös Uriel is back in great shape. Did not win a race last year but has scored three wins in four starts this season. Early contender again. 8 Brenne Røn has ran in the front in all five starts this year. Different number now but early choice with the right journey. 4 Ard makes his debut for the Hamre stable and should of course be followed here. Interesting.

6 Infinity Sisu is good for this class. Finished strongly to second behind Lara Boko in a Breeders Crown semifinal on October 30. Our pick directly in this seasonal debut. 8 I.D.Excellent got locked in with energy left in the last run. Is a bit fiery and prefers to attack from the back. Early choice with the right journey. 1 Kashmina B.R. has earned less money in this race but she comes from a very nice victory in the lead. Is possible here too. 2 Ballerina Indika has one run under her belt after a layoff. She is well drawn. Outsider.

2 Stoletheshow makes his seasonal debut here. Is ideally drawn behind the gate and has earlier put in good performances directly after a pause. Good chance. 4 Readly Lavec got a tough start in the last race on Vincennes. Is tough and will be interesting to follow this season. Has to be considered early. 1 Z. Boko was close to win in the last run. Is a quick starter and will certainly get a nice journey here. 3 Seven Nation Army is nice and likes these conditions. Has to be followed directly after a layoff.

2 Mercenary is our pick in this open race. He was poorly drawn in the last run and did not trot perfectly either. He will probably run without shoes now and that is an advantage. 4 Thai Targaryan has to be considered early. He could find an early lead here and is in good form. 5 Trefilov put in several good efforts last autumn. The form is a question mark now after a pause and after being a non-starter in February. Early contender anyway. 7 Kentucky Lobell looked nice after a long pause in the last run. Should be even improved now by that race.

9 Frøyde comes from a strong win on Färjestad after a nice journey. Has been at least third in ten out of eleven starts. Our pick. 7 GyldenGutten Stöen took over the lead with one lap to go and won two starts back. Set a new record in the last run and is in good shape. 11 Alf Martin is strong and comes from victory. Quick pace would be an advantage. 4 Månin Lilja came back well after an early mistake in the last run. Is the best horse in the first circle.
