2 Angel of Trix has looked nice at the beginning of this season. Is on the way up and deserves a victory here. Nice task. 5 Edsinette was successful as a three-year-old and the expectations are high before this season. She is strong enough to do it tough. 8 Candy Frontline comes from a sulky race. Finished well on the home stretch and showed good form. Could reach a nice position with this number. 11 Celine was second in the last seasonal debut and really brave after an offensive journey.

7 Supermackan was second from outside the leader in the last run after a strong performance. Scored a good second spot in the seasonal debut too. Deserves a victory. 3 Fia Godiva has shown quite good speed. Debut for a new trainer here over these nice conditions and worth a warning of course. 8 Edelweiss was better than ever in the last run and finished really fast. Needs some racing luck with this poor number. On the way up. 4 Alvar Burge is better than the results show. Was interfered in the last run but got a defensive trip too. Possible behind the favorite.

11 Järvsö Kurt comes from a good seasonal debut and should be improved a lot by that run. This full distance is an advantage too. 6 Lill Hans looks nice and was brave after an early attack to the lead in the last run. Could get an offensive trip again here. Early choice. 3 Målbo Urbin has done well this winter but never got a real chance after a poor start in the last run. He is strong and faces nice conditions here. 8 Månbest A.M. uses to be in the mix but he does not always show the right attitude. Good form.
