3 With Pleasure had not started since August but made her comeback in the last run. Scored a nice win directly even if the time was quite slow. Should be improved by that run. 2 Brilliant Tilly was fourth in the last run after a good final lap from far behind. She is not reliable but has good strength. 7 Global Downtown would have fought for victory in the last run without a mistake in the final turn. Will probably score the first victory soon. 5 Lake's Edina is starting a lot now and could be improved. Typical outsider here.

6 Jayden de Joudes showed good strength when he won on Bergsåker. The Love You-son is not reliable but is very strong for this class. 3 Jopp looked nice when he got locked in at the end in between horses two starts back. Has to be considered early. 4 Staro Quiz should be improved by the latest runs and will soon score the first victory. First start directly behind the gate here. 9 Adriana Queen has started this year with two mistakes. This starting method is an advantage.

7 Björs Balder is our pick in this race for four-year-old cold horses. He showed 24/1000 at the end and should be improved by the last run. 3 Eik Best was simply the best in the last run. Faces tougher horses here but should be considered. 8 Lill Modde galloped on the final far stretch in the last run and came back alright after that. Possible behind the favorite. 6 Hulte Sixten was close to win in the last run. Is consistent and good. Should not be overlooked.

4 Charlie Trot is a seven-year-old horse in great shape. Has two straight wins in the lead and will certainly get an offensive start again. Could lead this throughout. 11 Queen of Gunners has galloped a lot lately. Is better than the latest results show and will defeat many opponents without a mistake. 10 Happy Vip did alright in the last seasonal debut. Should be improved by that run and will defeat many opponents with the right journey. 1 Black Muscles did not trot well on December 15 and has not raced since then. Interesting number and an outsider here.

1 Neon Bank scored a very convincing victory in the V75 from outside the leader at the end of October. Was a non-starter in the final on Solvalla but has recharged the batteries now. 11 Itso Sisu comes from a couple of V75-starts and has become tougher. Wins often and has five victories in 12 starts so far. 2 Majestic Up is interesting in this comeback for a new amateur trainer. Is good for this class. Might need this race but this number is nice. 10 Ajlexes Abraxas is in good shape and will defeat many opponents with the right trip from the back.

4 Bakerman got locked in from behind the leader with energy left in his comeback. Looked nice and if he handles this number four in the circular start he is our winner. 13 Dior Lilly ended last year with a final in Diamantstoet where she never got a real chance. She will run without front shoes again. 1 Madame Norrgård has galloped a lot lately. She is good for this class when she lives up to her capacity. 10 Miss Lovelace is nice and won after a strong performance two starts back. Should be followed.
