

### RACE 1, V4-1

Volt 2140

11 Arras Beluga Wine took the lead in his last race, but galloped just before the finish. Here, he meets quite easy opponents - he just needs to find room in time. 6 One Night Only didn't get a clear run in a V75 race on Romme last time out. He's capable for the class, but doesn't win too often. 1 Funcio has an interesting number. He had a decent finish after a pause in the last run and should be improved by that race under his belt. 5 Husar Norrgård is consistent. Could get a nice defensive journey here and has place chance.

### RACE 2, V4-2

Volt 2140

8 Bork Tindra had a disappointing start to the year. Showed good speed for the class last year and is Westholm's choice of two in the race. 4 Brolotta belongs to the same stable as our pick. Needed the run after a break last time and should improve with that run under her belt. Kihlström drives now. 10 Guli Smilla has a poor record now, but she has good speed for the class and shouldn't be overlooked behind the favorite. 9 Klack Tea ended last year poorly, but her comeback in the last run wasn't too bad. She could be a surprise.

### RACE 3, V4-3

Auto 1640

10 Dirty Martini wasn't at his best in the last start of last year. He returns now after a break and with a little luck from post position ten, he is a contender for the win. 9 Jocelyn B.R. made a mistake at the start in her last race. Slightly disadvantaged from post position nine as she is quick out of the gate, but should be considered early on. 7 Gentleman Sisu is better than his recent results suggest. Looked like he had some left in the tank when the mistake came in a tight spot on the home stretch in his last start - watch out. 5 Sun's Exciting is used to competing against tough competition. The form is a question mark, but should normally be considered early in this field.

### RACE 4, V4-4, V5-1

Auto 2640

4 Just Fontaine has been a bit inconsistent so far, but the impression last time out was clearly good and we get the feeling that he is in a good period - our pick. 10 Winchester started with three straight wins for Oskar Kylin Blom. Returning now after a shorter break and he will be a force to be reckoned with immediately. 3 E.V.Baumgartner was impressive when he won in the lead in the last run. Jorma Kontio will surely try to find the lead again. 5 Global Daretodream galloped in the seasonal debut. Is good enough to be in the mix if avoiding a mistake now.
