6 Karat River ended last year with a victory, and the time before that a good third place in a BC final (won by Francesco Zet). He should be the top pick after the break. **3 Hattusa** has Goop in the sulky here. A good horse who was impressive in winning two races in November and December. Should be an early contender. **2 Missing Tooma** is back after a break. Held on well for fourth place last time out and won easily the time before that. A strong candidate for a place. **8 Hennessy Am** didn't show anything special when finishing sixth in the Gulddivisionen at Momarken last time out, but won very easily on December 27th.

12 Victoria L.L. has had a promising start to her career with three wins in five starts. Last time out at Jägersro, she got locked in and finished second with plenty of energy left, so she is the top pick for this race. 1 Sweet But Psycho has a good starting position as she returns from a break. She finished a decent second in her last race and is a top contender. 8 Good Moments got locked in with energy left in the last race but had an impressive win at Mantorp in November. In the mix here. 2 Bramble faces nice conditions money-wise here. He performed well as a runner-up from the lead on March 7th.

4 Hillsborough Flame performed well as a runner-up two starts ago and was impressive in an easy victory at Solvalla on December 7th. Good chance here. 3 **Infinette** has some good potential. She returned from a long break last time out and made a decent debut for a new trainer, finishing fourth. 7 **Aniara Sock** has good speed. She made a mistake in the winning battle on the homestretch on December 5th but then won comfortably from the lead in her next race. 12 **Make it a Star** has been in good form for a while but has not received much reward for her efforts. She will probably pass many horses in the final stretch.
