Note that this is Lugauer's choice of two horses in the race, an early choice. 2 Beachcomber comes with two straight wins, where he beat Al Pacino once, and has the form on top. Perfect position too, and should be considered again. 9 Västerbo Tramp had to open fast to reach the lead last time out and then kept up the pace before getting defeated with 150 meters to go.

2 Steady Roger got locked in with saved energy in the last race and looked nice crossing the finish line. Can open fast, has got a nice number and is our winner in the race. 6 Devs Donator avoided a mistake in the last race and won easily. Expect an offensive journey. Good chance. 8 Windmill Jam is a horse that Johan Untersteiner holds in high regard, but the post position eight is of course risky. Still an early contender. 4 Rapid Pal is Joakim Lövgren's choice of two horses, but probably because this horse can be a bit difficult. Should be followed.

She had won two consecutive races prior to that and has a total of nine victories in 23 starts. 11 Athena Face was recently in a final in Diamantstoet and performed decently. Scored a couple of good wins in a row before that. Early choice. 10 Lazy Beach was brave two races ago and won despite quite a tough journey in the last run. She must be taken seriously in this race. 3 Miking hasn't started in a while, so she might needs this race to get back in top shape. Nevertheless, she should be followed here.

He has a top chance of winning. 6 Karat River also had a good debut, albeit in a slightly easier race. He is a promising challenger and an early contender. 1 Charliebrown Effe is likely to be stuck on the inside with this number one, but he has the speed to challenge if things go his way. 3 Akilles Face is a tough horse who probably has been very well prepared for this race on his home track.
